Household expenditures across the border generally fell throughout 2011. But persistent unemployment and economic downturns in neighboring countries are expected to hit personal budgets (and all prices) well in the rest of the third quarter, and repeat quarters that adjustments and changes reflecting the economic needs during and after global budget reductions are expected, rather, as the economies are expected to be more severely affected than they were just before and after the global financial crisis. Budgetary adjustments have gone beyond the three

Multi-Sector Engagement Initiatives is currently only implemented in countries where there is a significant number of stakeholders. It is used for projects that need to address the concerns of various interest groups that spanned multiple ministries or the private sector. Initiatives are implemented in the private sector, government, and the international and civil society sectors. It is the responsibility of the project team to identify the key stakeholders and ensure that they are fully engaged in the project. The project team should also ensure that the project is implemented in a way that is consistent with the interests of all stakeholders and that the project is implemented in a way that is consistent with the interests of all stakeholders.
