Holcomb, 2009-10 Yes the Bible teaches perfection but not your kind of perfection Hey that is good news With his to the point writing style Michael Holcomb exposes what he calls forbidden perfection false fallen nature ideals that all humans impose upon themselves and presents you with Heaven s liberating views on life and reality He notes that there are in fact high and holy standards expected of mankind but shows you how God through Jesus Christ has made them completely within reach The author also brings out significant yet neglected principles of Christian maturity and boldly challenges the Church to

 CHAPTER THREE For a kid every day should begin with Once upon a time Every moment of every day should be an
 adventure Today during this first century of a new millennium are we in danger of scheduling our kids lives away And for
 what purpose I don t know about you but years from now I do not want to wake up and look back and realize that I missed
 out that I was so consumed by my own life that I forgot to live in the moment with my children that I raised my kids to live
 like me far from the present moment and that I spent so much energy worrying about my tomorrows and my goals and my
 ambitions that I failed to receive and cradle a most sacred calling this privilege of parenting The Awe full Privilege is a
 heartwarming and personal account of the joy of parenting It illustrates beautifully the importance of slowing down and
 enjoying our children while they are with us and giving them the most precious gift of all our time ANITA HITTINGER

 to Johannesburg South Africa where Larson has a teaching position at the Witwatersrand University During vacations he
 goes to Botswana to continue studies of the Hambukushu people he started in 1950 There is never a dull moment for the
 Larson family or the reader as the story moves from their lovely home The Cardinals Hat near stately Blenheim Palace Park
 in England to native African outposts in the vast wild Okavango River delta country of Southern Africa This book is an
 amazing read Alec Campbell of Botswana states Tom is an old time indefatigable explorer who still works on his enormous
