God at Play Daniel Soars, 2025-07-01 The first comparative treatment of the topic of l l in Hindu and Christian traditions this volume explores what it means to consider divine and human action under the categories of play wit drama grace and compassion God at Play presents a theological exploration of the multifaceted motif of l l across diverse Hindu and Christian landscapes and its wide ranging connections to divine and human creativity Given its ubiquity in Hindu theologies and life forms l l offers a rich comparative framework for exploring certain ways of understanding divine and human action as expressed in Hindu and Christian sacred texts philosophical theology and ritual practices Though l l is often interpreted simply as play the essays in this volume reflect a far richer semantic and conceptual field ranging from spontaneity and gratuitousness through joy and humor to mercy and

compassion By focusing on the different contexts in which l l is found in Hindu traditions and resisting any uniform translation of the term the contributors to this volume avoid the risk of using predominantly western or Christian categories to understand the Hindu other The volume thus explores how l l functions in a variety of distinctive philosophical theological and devotional ways across Hindu traditions and listens for echoes in Christian understandings of the gratuitousness of the created order in relation to God God at Play is a genuine experiment in deep learning across traditions Each chapter reflects on what is learned by taking l l as the category of comparison and invites the reader to think about what these conversations add confirm or change in relation to earlier twentieth century scholarship on play not least in terms of what difference it might make to understand human life as an imitation and a participation in the divine life of a playful deity **Scorched** Mary Nova,2016-04-15 Book One of The Scorched Trilogy the story of Nicoletta Clark and Xavier Soto Nicoletta Clark is young and gorgeous an up and coming photographer making her mark in the art world To top it all off she meets Xavier a sexy billionaire Everything seems to be going her way But no one has it all no matter how it seems Xavier Soto is a billionaire Internet entrepreneur and he s a catch In fact he s been caught many times by all the wrong women Determined to protect his heart he plays the field with a love em and leave em recklessness and when the passion cools so does he When he meets Nicoletta he s drawn to her beauty and air of raw sexuality and he wants her badly Despite Nicoletta s wild attraction to the steamy stranger she isn t anyone s usable toy She s had romantic troubles of her own having picked her share of Mr Wrongs She s done with the scorching hot bad boys the cheaters and money takers She s looking for a love that will last Can Nicoletta and Xavier find common ground How can they find a compromise when he wants to keep it casual refusing to open his heart and she refuses to settle longing for something real Sensual witty and poignant The Scorched Trilogy
