- Ask your Instructor or Coach to validate your rating, if you think that will help.
- Remember that as you play more, and improve, your rating may improve.
- Update your rating periodically.
- Results in social and competitive matches will validate whether your chosen level is reasonably accurate.

Has developed good anticipation either technically (can read toss on serve, body position, ...) or conceptually (can read opponent's intentions). Can consistently and effectively against a hard ball, wide ball or in passing shot situations. Capable of competing in "open" category provincial level tournaments. Ability to use specific shots in order to exploit opponent's weakness: drop shot, lob, angle, moonball etc.
