*The Little Horn's Big Lie!* Lynda L. Durrett, Lynda L. Durrett and Yisrael Avilla, 2010-09 Have you ever listened to a preacher bring a sermon on the pre tribulation rapture How wonderful it will be when we are all caught up with Jesus just before everything breaks loose here on earth What about the one that is preached on how and why the Sabbath was changed to Sunday and give a list of reasons none of them found in the Bible Then there is tithing They make sure to let us know we demonstrate our obedience through paying our tithing and giving back to God Yahweh and when we do not we can be cursed or not be blessed as we should We cannot forget the sermon on the Gifts of God Yahweh that are no longer for the church These and other doctrinal views are commonly preached in the main stream Christian Churches today They are based off opinion of men and are often argued with verses from the Bible that have been taken out of context It is interesting that the evangelical churches today claim to take and read the Bible literally They claim every word to be the inerrant word of God Yahweh Many of them treat the Bible as God Yahweh yet there is not a verse that can be found that says the Sabbath was changed to a Sunday that the Saints will be raptured before the tribulation or the church is to pay tithing Nowhere will you find the Holy Spirit only gives just some of the gifts on the list to believers today You will not find a verse that specifically tells you once you are saved you are always saved Instead you will find volumes of verses that contradict each of these false doctrines being preached So what does that say about our contemporary church today the one that claims to take each word statement or verse literally the very ones preaching about false teachers teaching themselves false doctrine

**The International Journal of Apocrypha**, 1912      **I Know Who These People Were** William Lucas, 2015-10-23 Elongated skulls have been discovered all over the world The Urantia Book states Adam and Eves descendants had elongated heads and so did the Nodites people of the land of Nod descendants of the Nephilim and they were the sons of God of Genesis 6 4 where sons of God had children by the daughters of men Adam and Eve were not the first two people on earth see Genesis 4 8 17 Forty elongated skulls some with red hair still intact was found in Lovelock Nevada inside a cave and they were believe to be seven to eight feet tall also 3 000 years old elongated skulls with red hair still intact were discovered in Nazca Peru more proof that Adam and Eves descendants traveled all over the world in an effort to spread their genes When geneticist analyzed the genes of the elongated skulls they found the genes contain genetic material unknown in any human primate or animal Adam and Eve came to our planet as biological up lifters Bodies were made for them when they arrived on our planet by beings from a higher universe called Avalon a universe neighbor to our universe These beings were called Avalon surgeons They took plasma from the more advanced tribes of our planet and with some type of genetic engineering created bodies made of the dust of the ground chemical of the earth that were much more advanced than the humans of that time Adam and Eve incarnated into those bodies and the spirit of God breathed the breath of life into those forms and they became living beings Our ancient ancestors didnt know about genetic engineering and such so they said God did it To them those advanced

beings were gods People of our planet need to wake up and stop thinking about material things all the time and begin thinking about the spiritual world which we linger far behind in our understanding Lucas A Seeker **Our Ancient Ancestors' Lost History Reconstructed** William Lucas,2018-12-17 Most of the researchers archaeologists anthropologists and many more who have appeared on the History Channel s Ancient Aliens have admitted their belief that extraterrestrials created humanity And those creators were none other than the Anunnaki those who came from heaven of the Sumerians Why has no one realized the Anunnaki needed someone to create bodies for them It is obvious they couldn t use the bodies they used on higher worlds on our earth People don t realize the Sumerians were just as much in the dark as people of today are The Anunnaki came to our planet over two hundred thousand years before the Sumerians time and those Anunnaki are the same beings that the Western world s Bible calls sons of God in Genesis 6 4 where it s stated that the sons of God gave children to the daughters of men The Urantia Book claims that surgeons from a higher universe came to our planet and took genes from the most advanced humans and with bioengineering created bodies for those sons of God in Genesis 6 4 This is where all the confusion originates Instead of the Anunnaki creating the humans humans bodies were created for the Anunnaki They came to help civilize humanity There were one hundred of these sons of God that came fifty men and fifty women The Bible often calls both men and women sons of God there s no distinction Hebrew 12 6 7 This happened during the time of Lucifer s rebellion Sixty of the sons of God rebelled along with Lucifer they are the ones that had children by humans with bodies made of human genes In the book of Enoch they are referred to as Watchers and fallen angels emphasizing that they were from higher worlds or heaven **The Wake-up Call** Madu De Silva,2024-05-24 What if the world had never been tainted by sin and evil What if Adam and Eve had resisted the temptation of the forbidden fruit How would our history and faith have been different Would we still have needed God or would God still have wanted us in such a perfect world Now imagine attaining immortality defying the graceful ageing and inevitable death You find yourself in an Eden like setting where your sole duty is to sing praises for the creator living forever with no sin no emotions no physical form and no attachments except for the service of God The allure of eternal life as depicted in various religious texts often presents an image of endless existence in a paradise like setting However the reality of such an existence may not be as idyllic as it first appears Imagine for instance your favourite meal The first taste is a revelation the hundredth still delightful But the thousandth The millionth Even the most divine delicacies could become mundane Similarly consider a favourite song or a beloved film Repeated endlessly even these could lose their charm In an eternal life where each day mirrors the last the pleasures we savour in our mortal lives could become tedious Compare this with our finite existence shaped by time Each day brings a new opportunity every encounter could change our lives and every challenge helps us grow Growing old often seen negatively is a mark of our wisdom and experience The beauty of ageing is a tribute to life itself At some point whether you are a devout cleric or a God fearing layman you have wondered about questions that challenge your beliefs your

interpretation of the Bible and what you have learned The Wake Up Call invites you to explore the Bible from a completely new angle It s not a demand to change what you believe but to learn things from a different perspective The readers who accept this invitation will find it rewarding and I promise you a delightful journey This book is not just a critique of God the Bible and Abrahamic religions It s a reflection of our convictions a challenge to look beyond the obvious and a call to question the unquestionable Are you courageous enough to answer the call Are you prepared for the shock of the new insight If so open the book and start your journey The road may be tough but the rewards are priceless This is your wake up call Will you heed it The choice is yours

*All The God We Cannot See* Sam Oputa,2015-04-10 To suggest that there are aliens extraterrestrials watchers is mind blowing Perhaps no longer mind blowing to some of us To also suggest that that becomes the reason and evidence to deny the existence of the one God Consciousness might be considered as utter nonsense There is Cosmic Consciousness always That two hydrogen atoms could wrap their tentacles around a molecule of oxygen and become water is Cosmic Intelligence That is Consciousness prewritten software There are many gods but there is one Consciousness Whether you can differentiate the very many gods and the only ONE Consciousness is what differentiates you and sets you apart from a follower a religionist an atheist or a theist You can think REASON LOGIC Whether or not you believe understand Consciousness your afterlife is guaranteed because you are the creation evolution of Consciousness You are simply here to experience creation in a yin and yang a duality All these gods They were so many Moses himself got confused and out of frustration he asked God for an ID Do you recall that biblical Moses asked God for an identification Consciousness does not work like a God and a prophet Consciousness lets you do your thing after all you are experiencing the creations of Consciousness Moses could no longer hide his frustration of not able to identify the gods Moses finally knew that the Gods were given conflicting messages because they were doing a doublespeak There were simply too many Gods What follows is accumulation of questions that need answers What follows is a cautious search for answers The answers seem to create more confusions Should the word God be redefined Did you notice the use of the words Cosmic Consciousness The words could also be Cosmic Intelligence The Old Testament simply did not propagate the concept of monotheism even though we are taught to accept and profess it was is so The Bible continuously mentions other gods through narrations In fact Egypt has the record at a practice for monotheism through Akhenaten Though religious people today would have dismissed Akhenaten as a worshipper of the Sun they failed to acknowledge that the Sun God representation is an allegory The sun the moon the sea snakes etc are just anthropomorphism zoomorphism to depict a God There must be tension here and it is obvious if you think about it Polytheism is simply and without qualification the belief in more than one God Thus on the most common way of understanding polytheism Christian belief will not be monotheism but clearly polytheism Read it all here

Alexander McCarron,2024-12-30 The Enochic Theophany in the Book of the Watchers 1 1 9 evolved and grew as it was translated into and transmitted in new and changing socio linguistic and socio religious contexts This study explores how the Enochic theophany evolved in its Aramaic Greek Ethiopic and Latin versions and focuses on the hermeneutical and text critical implications of these features of textual evolution and growth These features reveal how the text was read interpreted and re signified as it was translated and transmitted This study proposes a holistic methodology for exploring textual evolution and growth in fragmentary texts and in fragmentary textual traditions and for understanding the Enochic theophany as a participant in an ongoing Theophanic and Enochic Noahic discourse

Hermeneutics of the New Testament Albert Immer,1877      *The Illustrated Secrets of Enoch* Enoch,2014-12-27 One might ask why there is so much interest in this obscure little apocryphal book written under the assumed name Enoch If we look at the book of Luke where Jesus is describing for His disciples the time of His return in Luke 17 26 Just as it was in the days of Noah so will it be in the days of the Son of Man They were eating and drinking and marrying and being given in marriage until the day when Noah entered the ark and the flood came and destroyed them all We may want to know in greater detail just exactly what it was like during the time of Noah Reading the first chapter of the Book of Enoch we find Enoch a righteous man whose eyes were opened by God saw the vision of the Holy One in the heavens which the angels

showed me and from them I heard everything and from them I understood as I saw but not for this generation but for a remote one which is for to come Concerning the elect I said and took up my parable concerning them The Holy Great One will come forth from His dwelling and the eternal God will tread upon the earth even on Mount Sinai and appear from His camp and appear in the strength of His might from the heaven of heavens So not only does Luke and Mathew for that matter tell us that Jesus return will come at time like the time of Noah and the flood but the Book of Enoch begins by telling us it is written not for those of Enoch s generation but for a generation in the distant future when the Holy Great One will tread upon the earth and He will appear in the strength of His might from the Heaven of Heavens From The reference in the Letter of Jude 1 15 quoting Enoch regarding the return of Jesus to the passages in Mathew and Luke regarding the time of Christ s return to be like the time of Noah and considering Enoch s claim to be written for the elect of the generation alive during the time of the Holy Great One s coming to Earth I believe the Book of Enoch deserves a serious read **The Essential**
