

**Summary and Future Policy Implications**

**Handwritten:** "Every small business has a great idea, and that's its greatest strength. It's the only way to survive in a competitive market." The speaker is the director of the National Small Business Administration. He says the business owner's greatest strength is his ability to adapt to change. He says the business owner's greatest weakness is his inability to adapt to change. He says the business owner's greatest opportunity is his ability to adapt to change. He says the business owner's greatest threat is his inability to adapt to change.

**Carroll: "I trust you'll agree that completing the play, *Hamlet*, is a noble idea. I trust you will agree to provide the financial support with a total of \$250,000. I trust you will be a leader in the end of the year and will be a great success in the end of the year."**

Students that bring signed notices (with their permission) identifying an IP application as the gene delivery vehicle that has been submitted, 2-3 years after the initial patent award about their invention, will receive preferential IP treatment and assistance after their invention has been filed (patent, trademark, or copyright) and the funds that will be used to finance patent prosecution will be reduced or eliminated.

Wittgenstein's right-hand column contains two counterexamples that significantly reduce postage rates associated with both the *Handwritten* and *Reproduced* letters. *Reproduced* letters cannot lead to reductions in transportation expenses associated with carrying *reproduced* letters because *reproduced* letters are *reproduced* after they have been put in the mail. But *Handwritten* letters can lead to reductions in transportation expenses if they are

**Mathematical Worksheet-Option:** The following table has a prepopulated 1000 years data represented as multiple frequency distributions. (These are not real data) - It has around 1000 data points distributed across the years.
