42 Rules for Elementary School Teachers (2nd Edition) Susan Guerrero, 2012-11 Written by an experienced educator 42 Rules for Elementary

School Teachers 2nd Edition is a collection of personal and practical professional advice on how to thrive as an elementary school teacher. These guiding best practices promote clear connections to successfully creating a learning community that supports students while keeping teachers sane and successful. Here are the rules that will help teachers rule the school. Whether it's your first year teaching your last or somewhere in between, 42 Rules for Elementary School Teachers 2nd Edition will give you easy to implement strategies for being an outstanding and effective educator. Susan Guerrero shares the rules she has learned and lived in over twenty years in education. Her experiences as an educator are varied and diverse, giving her a full understanding of the personal and professional challenges teachers face. As a supporter of teachers, Susan brings the insights she has gained from being both inside and outside the classroom. 42 Rules for Elementary School Teachers 2nd Edition is for any teacher who wants to stay connected to the joy of teaching or who wants to learn what you need to do to be successful before students ever enter the classroom. Why we need to ask important questions. What PREP really is and how it will help you reach every student. Why you can relax and still be phenomenal.

Multifaceted Assessment for Early Childhood Education Robert J. Wright, 2010. Multifaceted Assessment in Early Childhood is ideal for those on upper division undergraduate courses and first level graduate courses in early childhood education assessment. The book covers the various measures used in a range of assessment dimensions and includes valuable information regarding young children with special needs and English Language Learners, which has rarely been touched upon in other textbooks. The chapters are focused on student accessibility and include practical applications of key concepts. Features and benefits: Covers a range of assessment concepts including Formative, uses feedback from learning to adapt teaching, Summative i.e. tests, quizzes, Authentic focuses on complex deeper tasks, Standardized STAR, SAT. Includes coverage of assessment for English language learners and children with special needs, topics that are not provided enough coverage in other books including Wortham, McAfee, Puckett, and Mindes. Wright's writing style grabs and engages the reader in the topic. Two of our reviewers who use Wortham specifically cited Wright's writing style as a reason they would adopt our book. A McAfee reviewer is likely to switch for the same reason.

Teaching Children Physical Education George Graham, 2008. Contains brief vignettes of elementary school physical education teachers demonstrating some of the teaching skills described in the book.
