### **Student-Centered Coaching From a Distance** Diane Sweeney,Leanna S.

Harris,2021-01-28 Ideas inspiration and the moves to keep student learning at the center of instructional coaching no matter where it occurs As we return to normal the guidance in this book will ensure we continue to focus on deeply knowing our students having a coherent and focused curriculum and coaching from a place of formative assessment and evidence Authors Diane Sweeney and Leanna Harris whose best selling books have influenced thousands of K 12 coaches have written Student Centered Coaching from a Distance to help coaches and teachers adapt Each chapter includes coaching moves that can be used in virtual hybrid and in person settings These technology focused moves are accompanied by language stems note catchers and other tools that provide structure and coherence to coaching conversations Each chapter also provides specific moves that promote equity and work to remove many of the barriers that have been brought into clearer focus during the challenges of our times Readers will find a highly effective coaching approach tailored to the distance learning context

strategies to help close opportunity gaps in depth instruction for co teaching from a distance The enduring practices in this book will help coaches partner with teachers during challenging times and keep student learning at the center for years to come Middle School Journal ,2006 *Resources in Education* ,2001 Using Rubrics for Performance-Based Assessment Todd Stanley,2021-10-03 Writing a rubric that can accurately evaluate student work can be tricky Rather than a single right or wrong answer rubrics leave room for interpretation and thus subjectivity How does a teacher who wants to use performance based assessment in this day and age of educational data and SMART goals find a way to reliably assess student work The solution is to write clear rubrics that allow the evaluator to objectively assess student work This book will show classroom teachers not only how to create their own objective rubrics which can be used to evaluate performance assessments but also how to develop rubrics that measure hard to assess skills such as leadership and grit and how to empower their own students to create rubrics that are tailored to their work **Exploring the Impact of the Dissertation in Practice** Valerie A. Storey,2017-07-01 Exploring the Impact of the Dissertation in Practice significantly contributes to our understanding of the design and impact of the Dissertation in Practice the capstone of professional practice doctoral programs Chapter authors are to be commended for sharing with the reader a broad and reflective view of their dissertation journey and as a consequence give the reader insight into the nature of professional practice doctorate education in the early 21st century Readers have the opportunity to hear firsthand how the dissertation is changing not only in format but also in the impact it makes in the field Faculty and program graduates share accounts of their scholarly practice the problems of practice that they have encountered and addressed in their professional practice and their evolving role as change agents in their field of practice In the process they assist all faculty involved in designing and evaluating professional practice programs by identifying challenges and opportunities for construction of powerful end of program doctoral work Individually and collectively chapter authors reflect on their experiences in creating practice anchored and intellectually rigorous Dissertation in Practice The editor Dr Valerie A Storey has divided the book into two sections The first focused on reflections of faculty and the second on reflections of program graduates as they describe how the Dissertation in Practice process develops scholarly practitioner graduates capacity to lead systemic reform How to Create and Use Rubrics for Formative Assessment and Grading Susan M. Brookhart,2013-01-11 What is a rubric A rubric is a coherent set of criteria for student work that describes levels of performance quality Sounds simple enough right Unfortunately rubrics are commonly misunderstood and misused The good news is that when rubrics are created and used correctly they are strong tools that support and enhance classroom instruction and student learning In this comprehensive guide author Susan M Brookhart identifies two essential components of effective rubrics 1 criteria that relate to the learning not the tasks that students are being asked to demonstrate and 2 clear descriptions of performance across a continuum of quality She outlines the difference between various kinds of rubrics for example general versus task specific and analytic versus holistic explains when using

each type of rubric is appropriate and highlights examples from all grade levels and assorted content areas In addition Brookhart addresses Common misconceptions about rubrics Important differences between rubrics and other assessment tools such as checklists and rating scales and when such alternatives can be useful and How to use rubrics for formative assessment and grading including standards based grading and report card grades Intended for educators who are already familiar with rubrics as well as those who are not this book is a complete resource for writing effective rubrics and for choosing wisely from among the many rubrics that are available on the Internet and from other sources And it makes the case that rubrics when used appropriately can improve outcomes by helping teachers teach and helping students learn

*Collaborative School Leadership* Ron Nash, Kathleen Hwang, 2012-11-06 In *Collaborative School Leadership* Nash and Hwang provide administrators with clear and focused ideas on making the most of collaborative leadership while on the path to continuous improvement Recognizing that classroom instruction is at the core of any plan of improvement this book looks at the role and nature of powerful building level professional development Nash and Hwang provide answers to critical questions As part of a school s improvement efforts what is non negotiable What are some barriers to progress and how can they be overcome or removed How can building administrators help teachers improve instruction An extensive appendix provides principals and teacher leaders with ten lessons and an entire chapter is devoted to the kind of formative support that building administrators can provide in the pursuit of student progress Finally Nash and Hwang elaborate on the whole decision making process and differentiate between the kind of independent and interdependent reflection that is part of the relentless pursuit of continuous improvement at the building level
