

> Workbook answers

Unit 1 Photosynthesis and the carbon cycle

Topic 1.1 Photosynthesis

Exercise 1.1A How light level affects photosynthesis

- 1 The type of plant; the mass of the plant; the temperature

2

Apparatus	Amount of light	Volume of gas collected in cm ³
A	high	18.3
B	low	7.2
C	none	0.5

- 3 Plants photosynthesise faster when they have more light.

Exercise 1.1B The effect of different colours of light on the rate of photosynthesis

- 1 The colour of the light / cellophane.
 2 The number of bubbles produced in one minute.
 3 Any three from: the light intensity (strength); the type of water the water plant was in; the quantity of water plant; the type of water plant; the temperature.
 4 For example:

Colour of light	Number of bubbles per minute			
	1st try	2nd try	3rd try	mean
white	11	13	12	12
red	10	12	11	11
green	4	5	6	5
blue	8	12	10	10

5

- 6 Accept any valid conclusion that can be made from these results, for example: plants photosynthesise fastest in white light; photosynthesis happens faster in blue light than in green light.

Exercise 1.1C Turning an idea into a hypothesis that can be tested

- 1 Accept any answer that:
- is in the form of a clearly phrased hypothesis
 - relates to the effect of carbon dioxide on the rate of photosynthesis of an aquatic plant
 - can be tested by experiment.

For example, a possible hypothesis could be: Water plants give off more bubbles per minute when they are given more carbon dioxide.

- 2 Look for:
- a clear statement of the independent variable and dependent variable
 - at least two other variables that will be controlled
 - a clearly explained method, with enough detail that someone else could follow it, including a labelled diagram of the apparatus
 - a clear description of how the independent variable will be changed
 - a clear description of how and when results will be collected
 - a results chart, with headings and units (but no results)
 - a prediction based on scientific understanding.

Science Year 9 Workbook Pearson Answers

Scott C. Dulebohn

Science Uear 9 Workbook Pearson Answers:

Whispering the Secrets of Language: An Psychological Journey through **Science Uear 9 Workbook Pearson Answers**

In a digitally-driven earth where screens reign supreme and immediate connection drowns out the subtleties of language, the profound techniques and psychological subtleties hidden within words frequently get unheard. Yet, located within the pages of **Science Uear 9 Workbook Pearson Answers** a interesting literary treasure pulsating with raw emotions, lies an extraordinary quest waiting to be undertaken. Composed by an experienced wordsmith, that charming opus attracts readers on an introspective trip, delicately unraveling the veiled truths and profound affect resonating within the cloth of each word. Within the emotional depths of the moving evaluation, we can embark upon a sincere exploration of the book is primary styles, dissect its interesting writing design, and fail to the strong resonance it evokes serious within the recesses of readers hearts.
