Barack Obama and the Arab Spring Ahmed Y. Zohny, 2021-06-22 In *Barack Obama and the Arab Spring* A Successful Balancing Act of Foreign Policy and Diplomacy Ahmed Zohny develops a well blended marriage of history and political theories of U S foreign policy diplomacy public diplomacy and national security In this interdisciplinary research he uses data and findings from both the Arabic and English languages by genealogically examining President Obama's foreign policy and diplomacy in response to the chronology of the unfolding events of the 2011 Arab Spring in Tunisia Egypt Libya Syria Bahrain and Yemen President Obama and his top diplomats performances in response to each country's events are assessed critically analyzed and compared to one another in terms of the U S bilateral relations with each country U S national interests and her strategic goals in the Middle East region The findings of this research indicate that President Obama's foreign policy and public diplomacy toward the Arab Spring proved to be a successful balancing act prudent and in the best national interests of the United States in the Middle East

A Changing United Nations W. Knight, 2000-10-19 The United Nations is at a critical juncture It is faced with two distinct choices to remain a decision frozen in time or to develop a long term adaptation agenda and strategy that would allow it to be a relevant institution of global governance for the twenty first century Reform and reflexive institutional adjustments have failed to address underlying problems facing this organization After fifty five years of existence it is still considered an inefficient and ineffective world body Worse yet its relevance is being questioned This study offers a critique of existing UN change processes and then shifts focus to considerations of institutional learning strategies that would allow the UN to maintain relevance amidst the

evolution of global governance arrangements Political Science Michael Roskin,2006 For Introduction to Political Science courses Exceptionally up to date and rich in cross national examples Political Science offers an unbiased and thorough introduction to the basic concepts and theories of political science With a critical look at the major theories it exposes students to many ways of thinking and challenges them to think critically Emphasizing both U S and comparative politics provides students with a solid foundation for connecting their studies of what is happening in the world around them

Manual de Direito Constitucional - Volume I - 7a Edição Jorge Bacelar Gouveia,2023-06-09 Numa altura em que a globaliza o conhece passos acelerados n o s na integra o pol tico jur dica como na aproxima o entre culturas e civiliza es cabe aos Estados um papel primordial porventura imprevisto de conserva o das identidades dos povos bem como das singularidades das comunidades nacionais Mas multiplica o das interroga es t m faltado respostas d fice bem evidente no desconforto que se vive numa globaliza o que dissemina as coisas boas e as coisas m s contra a qual todos vamos gradualmente despertando mesmo de diversificados quadrantes pol ticos assim que hoje o estudo do Direito Constitucional se apresenta como um desafio mais rduo mas em rela o ao qual este Manual de Direito Constitucional em dois volumes aut nomos pretende dizer presente numa vis o portuguesa atualizada e sintonizada agora na 7a edi o com as grandes quest es que se colocam Ci ncia do Direito Constitucional **1 Samuel** Susanne Scholz,2025-11-18 Recent biblical studies especially feminist interpretations evince keen awareness of how the constitutive role of the contextual realities for example race class and gender of the texts but also of the interpreters themselves shapes our readings and the range of questions and insights they yield With critical awareness of these realities whole new vistas open up on the Bible and its world First Samuel presents a surprisingly fruitful test case for such interpretations shedding important light on this historical narrative and our reading of it in a world of ethnic geopolitical and gender turbulence In alignment with the insights of intersectional biblical hermeneutics Scholz s conceptual feminist approach to 1 Samuel advances five key thematic areas They include the geopolitics of land and gender the variously positioned male characters the depicted governance model of the monarchy the ethnonational stereotypes embedded in references to the male Philistines and the inscription and erasure of female characters as mothers wives daughters unnamed women and witch Most feminist biblical criticism has centered on female figures in the Bible or reconstructing the situations of women in that world This work is different It focuses on the convergence of gender relations geopolitics emerging nationalisms and archaeology and history both then and now in the world of the text and in the interpreter s own world Equally alert to the telling details and the unquestioned assumptions of our reading the result is a fully critical and radically self aware encounter with the text its context and its reverberations in our own day Scholz s strikingly insightful analysis sets a new standard for interpreting 1 Samuel and indeed for approaching biblical studies **Instructor's Guide with Lecture Notes to Accompany American Government, Institutions and Policies, Fifth Edition, James Q. than thirty years have passed since the normalization of Sino American relations in 1979 The United States and China are becoming more interdependent economically yet at the same time significant movement and improvements in Sino American relations are constrained by major economic security political and other differences between the two countries This volume analyzes current problems and issues in Sino American relations in the context of regional and global strategic patterns and their historical development in the last thirty years These problems and issues such as the international financial crisis development of global reserve currencies regional conflicts and competition for international domination have significant impacts on both world powers and important implications to the world economy and politics **Politics: Another**

Perspective Wilmer J. Leon III Ph.D.,2016-08-31 Over the past 8 years there have been significant shifts in the American political landscape The election of Senator Barack Obama as America s 44th and first African American president signaled a giant leap forward in the American social cultural and political landscape It has taken America 219 years to reach this point Based upon Senator Obama s campaign promises many people looked forward to a more transparent and inclusive government Others saw this election as a signal of a new post racial America but America has always been a country in conflict As many basked in the comfort of Obama s historic election others feared its backlash History tells us that white supremacy dies hard in America and its proponents would not take America s victory lying down The bigoted rants of the Tea Party and the ultra right wing s obstructionist agenda have resulted in a political stalemate unlike any other in recent American history These reactionary politics coupled with the Democratic Party and Obama Administration s inability to articulate an effective counter narrative and employ effective countermeasures has left America in a political abyss **Politics Another Perspective** Analysis of Race War Ethics and the American Political Landscape in the Age of Obama is a collection of Op Ed s written by Wilmer J Leon III Ph D As a collection these writings provide cutting edge analysis of the various issues that influenced the American geopolitical landscape since 2006 and insight into the direction that the country is headed Wilmer Leon is one of the few Black prophetic voices in the age of Obama This book confirms this status courageous visionary and consistent Dr Cornel West Dr Wilmer Leon has assembled a collection that asks the right questions about race and democracy In an era when too many are silenced for fear of rocking the boat of the status quo Wilmer Leon has signaled his willingness to go out on a limb and speak truth to power Bravo Dr Julianne Malveaux Economist and Author Are We Better Off Race Obama and Public Policy **Political Science** Michael G. Roskin,1997 Up to date and full of cross national examples with an emphasis on the US political system this text offers an introduction to the basic terminology concepts and theories of political science
