students honest and accurate information The Politically Incorrect Guide to American History makes it quite clear that liberal professors have misinformed our children for generations Professor Thomas E Woods Jr takes on the most controversial moments of American history and exposes how history books are merely a series of clichés drafted by academics who are heavily biased against God democracy patriotism capitalism and most American family values Woods reveals the truth behind many of today's prominent myths MYTH The First Amendment prohibits school prayer MYTH The New Deal created great prosperity MYTH What the Supreme Court says goes From the real American revolutionaries to the reality of labor unions The Politically Incorrect Guide to American History is all you need for the truth about America objective and unvarnished

Politically Incorrect Guide to the American Revolution Larry Schweikart, Dave Dougherty, 2017-06-26 The truth about the American Revolution is under attack Despite what you may have learned in school it wasn't a rich slaveholder's war fought to maintain white privilege In fact the War of Independence wasn't about maintaining any status quo it was the world's first successful bottom up revolution by the people ushering in a new dawn of liberty that history had never seen before But with left wingers dominating the teaching of history where can you go for the true story of the unprecedented events that made the United States the world's greatest nation Now bestselling historian Larry Schweikart has teamed up with author Dave Dougherty to write the ground breaking patriotic history you've always wanted to read about the foundation of our unique nation The Politically Incorrect Guide to the American Revolution reveals Four key factors that applied only in America making it impossible to replicate the Revolution anywhere else Why it matters that the Patriot fighting force was overwhelmingly Scotch Irish The key role of Protestantism which denominations tended to become Patriots and which Tories How Americans were different from the Europeans and English even at the outset of the Revolution How the casualties of the deadliest war in American history are routinely underreported How our Revolution became a model for hundreds of others that all failed Schweikart and Dougherty take on the left wing myths starting with the Marxist narrative of the Revolution in Howard Zinn's nearly ubiquitous *A People's History of the United States* and uncover the truth about America's beginning
