God's Rest Day of the New Testament, Evangelicals Incorporated Daniel Vaca, 2019-12-03 A new history explores the commercial heart of evangelical Christianity American evangelicalism is big business For decades the world's largest media conglomerates have sought out evangelical consumers and evangelical books have regularly become international best sellers In the early 2000s Rick Warren's *The Purpose Driven Life* spent ninety weeks on the New York Times Best Sellers list and sold more than thirty million copies But why have evangelicals achieved such remarkable commercial success According to Daniel Vaca evangelicalism depends upon commercialism Tracing the once humble evangelical book industry's emergence as a lucrative center of the US book trade Vaca argues that evangelical Christianity became religiously and politically prominent through business activity Through areas of commerce such as branding retailing marketing and finance for profit media companies have capitalized on the expansive potential of evangelicalism for more than a century Rather than treat evangelicalism as a type of conservative Protestantism that market forces have commodified and corrupted Vaca argues that evangelicalism is an expressly commercial religion Although religious traditions seem to incorporate people who embrace distinct theological ideas and beliefs Vaca shows members of contemporary consumer society often participate in religious cultures by engaging commercial products and corporations By examining the history of companies and corporate conglomerates that have produced and distributed best selling religious books bibles and more Vaca not only illustrates how evangelical ideas identities and alliances have developed through commercial activity but also reveals how the production of

Rex Butts, 2022-05-17 Many people realize that the cultural landscape of North America has shifted significantly With such changes new challenges for how churches live as a proclamation of the gospel have and continue to emerge These challenges are related to the church's participation in the mission of God and particularly how local churches live faithfully to God while remaining relevant to such challenges Because Scripture is revered as God's word this matter also pertains to the way churches read Scripture since the Bible does shape how churches embody the gospel Gospel Portraits addresses the intersection of mission and hermeneutics for churches within their local contexts Believing the gospel calls the church to follow Jesus and bear witness to the kingdom of God this book proposes that churches should read the Bible as a Christ centered and kingdom oriented narrative This reading of Scripture allows churches to reimagine how they might embody the gospel within their local contexts Discerning what a contextual embodiment of the gospel involves churches portray God's new creation in ways that are coherent with the biblical story and relevant to their local context In doing so churches live as Christ formed and Spirit led communities portraying the gospel **Episodes in Visions** Zebron Ncube D.
