Romans Chapter 14 Study Guide:

Welcome to the Basement Study Guide Tim Ross, 2024-02-27 Encounter faith where it was meant to be found not in life's penthouse but in the basement where God's kingdom is waiting to welcome you. This practical study guide companion to Tim Ross's *Welcome to the Basement* will help you assess where you are in your relationship with God and what steps you need to take to move to the next level in your faith. For too long we've been taught that the only way to be great is to go up. But it's time to turn the world upside down because in God's Kingdom the way up is down, the way in is out, and downward mobility is your only hope for upward utility. This study guide is ideal for you to go through on your own or with a group. Each session includes the big ideas that will be covered in the session as you read through the book. An assessment exercise to help you reflect on your relationship with Christ. Ten group-oriented discussion questions based on the Bible and book content. A closing personal exercise to help you apply the concepts you've studied to your life. Prompts for opening and closing your group or personal study time with prayer. Sometimes the lowest floor of the building is where the real party is. Jesus is the cornerstone of a new kind of kingdom. Will you step into the good things God is doing in the world? *Bible Study Guide for Churches, Small House Fellowships, and Discussion Groups* Richard Sogunle, 2022-08-01 In my many years of attending Bible study, I have found that many who attend barely grow beyond the level of being fed the word of God. Many are stocked in the level of milk without the capacity to handle the solid word of God. The aptitude and zeal to understand and rightly share the word of God is absent in the greater percentage of church attendees today. Every good shepherd desires that their flocks grow in their spiritual muscle and be able to stand anywhere and anytime on their faith feet without being tossed to and fro with every wind of doctrine. However, due to various environmental and organizational challenges, a small group Bible study setting may be lacking in many churches. The members may attend worship services on Sunday and other times and listen to the pastor's sermon day after day but never have the opportunity to contribute their God-given ideas or ask questions that could strengthen their courage to share their faith with understanding. This book is designed to challenge believers in reading a passage of the scripture and equip them with spiritual warfare weapons in memory verse during each Bible study session. The individual will have the opportunity to learn and discuss the weekly topic and questions that follow every introduction to the topic. The study guide is simply arranged to enable any believer or group of believers and families to use in any Bible study group setting. The study guide discusses various topics with supporting scriptural references to equip participants with practical knowledge and applications to their daily Christian living. *Bible Study Guide for Churches, Small House Fellowships, and Discussion Groups* is a must-have handbook for pastors, leaders of various Christian fellowship groups, and believers that will love to grow in their Christian walk. *The Life and Work of Paul: a Study Guide* Rodney G. Peters, 2021-06-21 Have you ever wondered how Christianity became accepted as a world-wide religion? This study guide provides an answer to that question. It enables both student and scholars an organized in-depth approach to both understand the accomplishments of
