Lincoln's Emancipation Proclamation Allen C. Guelzo,2005 Prizewinning Lincoln scholar Allen C Guelzo presents for the first time a full scale study of Lincoln s greatest state paper ["See and Read All These Words"](#) Chad L. Eggleston,2016-02-08 Unusually for the Hebrew Bible the book of Jeremiah contains a high number of references to writers writing and the written word The book which was primarily written during the exilic period demonstrates a key moment in the ongoing integration of writing and the written word into ancient Israelite society Yet the book does not describe writing in the abstract Instead it provides an account of its own textualization thereby blurring the lines between the texts in the narrative and the texts that constitute the book Scrolls in Jeremiah become inextricably intertwined with the scroll of Jeremiah To authenticate the book of Jeremiah as the word of YHWH its tradents present a theological account of the chain of transmission from the divine to the prophet and then to the scribe and the written page Indeed the book of Jeremiah extends the chain of transmission beyond the written word to include the book of Jeremiah itself and finally a receiving audience To make the case for this chain of transmission See and Read s three exegetical chapters attend to writers YHWH prophets and scribes the written word and the receiving audience The first exegetical chapter describes the standard chain of transmission from the divine to the prophet to the scribe demonstrating that all three agents in this chain are imagined as writers and that writing was increasingly understood as a suitable conduit for the divine word The second exegetical chapter attends to the written word in Jeremiah especially Jeremiah s self references e g in this book all these words as a pivotal element in the extension of the chain of transmission beyond the words in the text to the words of the text Finally the third exegetical chapter considers the construction of the audience in the book of Jeremiah concluding that the written word as Jeremiah imagines it is to be received by a worshipping audience through public reading but delivered via textual intermediaries **Style Manual of the Government Printing Office** ,1924 [Reclamation Manual](#) United States.
