Dear Ms. Boone,

As a Certified Special Education Instructor with over 9 years of experience in childhood program administration and special education teaching, I'm confident that my background aligns perfectly with the Special Education Teacher opening at Mountainridge Charter School.

Throughout my teaching career, I've been acknowledged for designing and implementing interactive lessons by employing manipulatives and IEPs to target the individual needs of special education students. In my current role as Special Education Teacher for Woodlawn Community School, I teach an emotionally impaired class consisting of 20 students while working closely with other instructors to plan a curriculum that adheres to IEP standards. Please consider the following highlights of my career:

- Developed 12 educational, enrichment, and skill-based programs for diverse learners
- Contributed to the continuous improvement of four programs by analyzing students' skills and interests and revamping programs accordingly
- Hold a Bachelor's degree in Special Education along with certifications in Childhood Education and Students with Disabilities

Shatkin,2024-01-16 What clinicians need to know about the emotional well being of kids now updated and revised With the number and variety of mental health issues affecting kids on the rise and as more clinicians and counselors are pushed to the front lines of defense there is an acute need for a comprehensive practical resource that guides professionals through the complexities of child and adolescent mental health This comprehensive book now in its third edition answers that call Fully revised and updated Child Adolescent Mental Health now includes chapters addressing mental health during a pandemic and gender dysphoria Child and adolescent psychiatry expert Jess P Shatkin distills three decades of clinical experience research and teaching into an effective guide that providers and trainees have kept within arm s reach for the past fifteen years **Therapist's Guide to Learning and Attention Disorders** Aubrey H. Fine,Ronald A. Kotkin,2003-08-12 Practitioners seeking the most current advances in the field of ADHD and LD must often bridge the gap between research and practice This title provides that bridge through the authors who are both researchers and practitioners with extensive experience in providing direct services to children and adults with ADHD and LD *Suffering in Silence* Donna Mac LCPC,2015-09-29 Selective mutism is an anxiety disorder and its currently one of the most misunderstood under diagnosed and undertreated mental health conditions When children with selective mutism feel expected or pressured to speak in social situations they become terrified Therefore their level of anxiety significantly increases but by remaining silent their anxiety level slightly decreases obtaining some relief for themselves For these children remaining silent is actually an ineffective coping mechanism or a maladapted solution to create a sense of safety within themselves Hence their mouths freeze and they are silent This is temporary relief but longitudinally these children suffer in silence Due to the fact that many children will display normative shy behavior or even socially anxious behavior at

times it can be challenging to discern if the child's behavior falls within normal limits or if the child actually demonstrates clinically significant behavior signifying a selective mutism diagnosis. This can be confusing for parents, teachers, and even clinicians. This manual is meant to help clarify this distinction and will also assist you in figuring out how to seek help, ask the right questions, and what you can expect from early intervention services, school-based services, and holistic therapeutic and psychiatric services.

Your IEP Playbook Lisa Lightner, 2025-10-13. An easy-to-understand guide to navigating and implementing your child's individualized education plan (IEP). In **Your IEP Playbook: A Parent's Guide to Confident Advocacy**, disability parent and special education advocate Lisa Lightner delivers a practical guide for parents and caregivers of children with disabilities, doing their best to navigate their individualized education plans (IEPs). This collection of realistic and implementable advice walks you through how to apply federal and state law in your unique situation, develop an advocacy strategy that works, and collaborate with schools and the professionals involved in your child's education. You'll learn about common mistakes made by people advocating for a child with special education needs and how to avoid them. You'll also discover how to ensure that your child's needs and priorities aren't overlooked or under-supported. The book also contains advice on how to break down and understand the different parts of an IEP, including what they mean, how to read one, and what to document. Guidance and reproducible exercises to determine, reach, and monitor progress of IEP goals. Strategies for composing advocacy letters to your child's school and how to time them for maximum impact. Perfect for the parents and guardians of pre-K to grade 12 children with special needs. **Your IEP Playbook** is also a must-read for special education teachers, case workers, and people advocating for children in foster care.
