Work and Family--Allies or Enemies? Stewart D. Friedman,Jeffrey H. Greenhaus,2000-06-22 We ve come a long way since the classic book *The Organization Man* first introduced the ideal 2 person career a full time male breadwinner and a stay at home wife What typified the 50s good life is in stark contrast to contemporary reality 63% of all married women with children under six years old are in the workforce and 40% of all workers are part of a dual earner couple *Work and Family Allies or Enemies* offers a fresh new lens for viewing the real struggles that business professionals face in their daily battle to find ways of getting a life and having it all Based on a pioneering study that surveyed more than 800 business professionals this volume will help readers understand and deal with the effects of gender professional culture and social expectations on the evolving roles of men and women in crafting an integrated life A rich inspiring and at times disturbing look at how work and family affect the lives of men and women trying to manage the complexities of modern living the authors argue that it is critical to learn how to manage the boundaries between work and family to handle ambiguity to manage multiple tasks simultaneously and to build networks of support at work and in the community *Work and Family Allies or Enemies* offers a prescription for success that requires that all parties individuals employers and society clarify what is important recognize and support the whole person and continually experiment with new ways to achieve meaningful goals *Handbook of Advances in Culture and Psychology, Volume 7* Michele J. Gelfand,Chi-yue Chiu,Ying-yi Hong,2018-02-15 The field of culture and psychology is one of the fastest growing areas in the social sciences *The Handbook of Advances in Culture and Psychology Volume 7* belongs to the only annual series that offers state of the art reviews of scholarly research programs in this burgeoning field *Postdevelopmental Approaches to Pedagogical Observation in Childhood* Mona Sakr,Jennifer Rowsell,Kortney Sherbine,2023-08-24 This book argues that developmental approaches to observation in childhood pedagogy are limiting that there is an urgent need to unsettle and reimagine observation proposing new postdevelopmental theories and modes of inquiry for educators Written by leading scholars based in Australia Canada Finland New Zealand the UK and the USA the chapters consider observation as it is enacted in the home nursery or classroom Drawing on a range of theories

including feminist new materialism social semiotics and sociocultural and multimodal approaches to early childhood the chapters cover a range of areas from early childhood art and observational literacy tools to intergenerational research and using photography and video in observations
