Cross-Language Relations in Composition Bruce Horner,Min-Zhan Lu,Paul Kei Matsuda,2010-05-09 Cross Language Relations in Composition brings together the foremost scholars in the fields of composition second language writing education and literacy studies to address the limitations of the tacit English only policy prevalent in composition pedagogy and research and to suggest changes for the benefit of writing students and instructors throughout the United States Recognizing the growing linguistic diversity of students and faculty the ongoing changes in the English language as a result of globalization and the increasingly blurred categories of native foreign and second language English speakers editors Bruce Horner Min Zhan Lu and Paul Kei Matsuda have compiled a groundbreaking anthology of essays that contest the dominance of English monolingualism in the study and teaching of composition and encourage the pursuit of approaches that embrace multilingualism and cross language writing as the norm for teaching and research The nine chapters comprising part 1 of the collection focus on the origins of the English only bias dominating U S composition classes and present alternative methods of teaching and research that challenge this monolingualism In part 2 nine composition teachers and scholars representing a variety of theoretical institutional and professional perspectives propose new compelling and concrete ways to understand

and teach composition to students of a global plural English a language evolving in a multilingual world Drawing on recent theoretical work on genre complexity performance and identity as well as postcolonialism Cross Language Relations in Composition offers a radically new approach to composition teaching and research one that will prove invaluable to all who teach writing in today s multilingual college classroom *Roman Society from Nero to Marcus Aurelius* Samuel

Dill,2022-09-16 In *Roman Society from Nero to Marcus Aurelius* Samuel Dill provides a meticulous exploration of the cultural and social dynamics of Rome during the pivotal juncture between the Julio Claudian and the Antonine periods Dill employs a comprehensive literary style that deftly marries historical analysis with vivid narrative revealing the intricacies of daily life class structure and the pervasive influence of Imperial power in shaping societal norms His work is situated within the scholarly discourse of social history drawing connections between political upheaval and the lived experiences of Roman citizens amidst the grandeur and decay of the Empire Samuel Dill a noted classical scholar was profoundly influenced by the rapid changes in the social fabric of 19th century Europe and how these mirrored the past he examined His academic pursuits which included a keen interest in the evolution of political ideologies and governance guided him to delve into the interplay between individual agency and institutional authority within Roman society Dill s rigorous approach to historical methodology underscores the realism in his narrative allowing the reader to grasp the complexities of the era This book is essential for anyone seeking to understand the social currents that shaped Rome during a critical period of transformation Dill s illuminating insights not only enrich our comprehension of ancient Rome but also echo in contemporary discussions about society power and cultural identity A must read for historians classical scholars and enthusiasts alike Nero Caesar
