

Module 1

INTRODUCTION TO ANCILLARY HEALTH CARE UNIT STANDARD 1 INTRODUCTION TO HEALTH PROMOTION

The learning programme explained in this module should be done over a minimum of 32 hours.

Each topic covered in the learning programme has been subdivided and includes a variety of activities that should enable better learning and understanding.

A topic does not make up a lesson plan; therefore one topic may stretch over a number of learning events. It is therefore important that the AE plans this accordingly, so that the learners (AL) become truly competent in the outcomes outlined in the unit standard.
