Safety

Seat belts must be worn at every journey, even on short trips to town. This applies to the front and rear seats.

To ensure that the seat belts, belt buckles and airbags are fully effective, please note the following points:

Wear the seat belt correctly

Stand with the seat belt across your chest and the belt is positioned over the center of the shoulder and across the hip (not over the stomach).

The belt should always be worn as close as possible to the body.

Adjust seat belt to the correct position

The front seats should not be positioned too close to the steering wheel or dashboard.

Children under 1.35 meters must use the rear seat. They must be protected by a child restraint system which complies with the European standard EN 1889.

They should always be worn as close as possible to the body.
