

Intuit QuickBooks Direct Deposit

Getting Started Guide

Thank you for signing up for Direct Deposit! Now that you've signed up, read this guide to learn how to activate and use Direct Deposit to pay your employees.

Next Steps:

1. Verify your bank account
2. Set up employee bank account or pay card information
3. Start paying your employees using Direct Deposit

Step 1: Verify your bank account

For security purposes, when you provide your initial bank information during sign-up, Intuit makes two small withdrawals of less than \$1.00 each from the bank account you set up for Direct Deposit. Check your bank account for the amounts and confirm them in QuickBooks. You are then verified as an authorized user of the account, and the bank account is ready for authorized payroll transactions and fees.

Follow these steps to verify your bank account:

1. Check your bank account to find out the amounts of the two withdrawals. (It may take 2-3 days from your sign-up date.) The transaction description will include "QuickBooks."
2. In QuickBooks, click **Employees > My Payroll Service > Activate Direct Deposit**.
3. Enter the two amounts withdrawn from your bank account and create a PIN that you'll use when paying your employees with Direct Deposit.

If you're using Simple Start, click [here](#) for instructions.

Step 2: Set up your employees' bank account or pay card information in QuickBooks

Paying to a bank account

Collect bank account information from employees who want to be paid by direct deposit. Employees must give written approval to you for direct deposit of their paychecks. You can use the [Authorization for Direct Deposit form](#) included in this guide.
