Do you want to learn French Language but you don't know where to start from? Are you confused by the number of different books available on the market? Search no further, read below, and you will find why this is the book for you. You have probably heard that learning your first foreign language is always the hardest and that each subsequent language is easier than the last. The reason is related to the fact that experienced language learners discover how to learn a language. Through trial and error, learning one language after the next, it becomes apparent what is effective for the learner and just as importantly, what is not effective for them. Notice the two little words at the end of the last sentence for them. When we talk about what is effective in language learning, it may be a cliché, but it is absolutely true to say that every person is different and learns languages in different ways, and this goes for every aspect of the learning process. The only way to become a successful language learner is to discover what works for you, one step at a time. Having said that, it can help to take inspiration from others who have successfully learned languages, and there exists a certain amount of best practice in language learning which can help you get off to a good start and avoid common mistakes. As such, in this book, we will give some of the language learning advice that has worked best for our students in the past. To the extent that this advice provides a model to follow as you begin to discover your own learning style, it should prove useful. This book will focus on the following: French Alphabet and Pronunciation, General Greetings, Numbers, What's today's date, Seasons, Color and Shapes, Family and Animals, Gender and Articles, Nouns
