Re: Brand X, 18.6 cu ft. Bottom Mount Fridge Serial Number 12345

Dear Sir or Madam,

I am writing to seek your help in fixing a problem. On Monday, May 1, 2012 I purchased the above fridge from your Some Street location. John Doe was my sales representative.

As you can see from the attached bill of sale, I had purchased the fridge in stainless steel, which was more expensive than the black model. However, the fridge delivered on May 3rd to our home was black.

I informed the delivery person of the problem, however, he said that he could not help me with this. I called John Doe on May 4th, and he said that we received the right fridge. I indicated that this is not acceptable, and asked to speak to a manager. He said that she was busy at the moment but would phone me back. No one phoned back.

I understand that mistakes do happen, and I look forward to a quick resolution to this situation. Please telephone me to make arrangements for the delivery of the stainless steel fridge we have purchased, and to have the black model removed. If for some reason this fridge is not available, I will accept a full refund.

I have been a customer of ABC Company for many years, and I hope to have this resolved so that I can continue to shop in your store.

Please call me at 555-1234 as soon as possible to make the arrangements.

Sincerely,

Jane Customer

Sheperis, Stacy L. Henning, Michael M. Kocet, 2015-09-16 Ethical practice is an essential aspect of counselor training In order for counselors to competently work with clients they must be well versed in ethical codes ethical decision making and legal issues impacting the profession Ethical Decision Making for the 21st Century Counselor provides the fundamentals of ethical practice with emphasis on

ethical decision making and is structured to facilitate the development of these skills and understanding and applying them. Individuals will be able to incorporate ethical practice into their understanding of the counseling process and integrate ethical decision making models into their counseling practice. This unique approach differs from existing texts because of its strong emphasis on practical decision making and focus on understanding the process of applying a standard ethical decision model to any ethical scenario. Students build a foundation in how to evaluate an ethical situation and feel confident that they have applied a set of decision models to reach the best decision. **Ethical Decision Making for the 21st Century Counselor** is part of the SAGE Counseling and Professional Identity Series which targets specific competencies identified by CACREP Council for Accreditation of Counseling and Related Programs.
