Red Ribbon Week community action guide United States. Substance Abuse and Mental Health Services Administration,2004 **Rhetoric and Hermeneutics** Carol A. Newsom,2019-06-03 This collection of essays by Carol A Newsom explores the indispensable role that rhetoric and hermeneutics play in the production and reception of biblical and Second Temple literature Some of the essays are methodological and programmatic while others provide extended case studies Because rhetoric is as Kenneth Burke put it a strategy for encompassing a situation the analysis of rhetoric illumines the ways in which texts engage particular historical moments shape and reshape communities and even construct new models of self and agency The essays in this book not only explore how ancient texts hermeneutically engage existing traditions but also how they themselves have become the objects of hermeneutical transformation in contexts ranging from ancient sectarian Judaism to the politics of post World War I and II Germany and America to modern film criticism and feminist re reading *Liberalism with Honor* Sharon R. Krause,2002-04-15 Why do men and women sometimes risk everything to defend their liberties What motivates principled opposition to the abuse of power In *Liberalism with Honor* Sharon Krause explores honor as a motive for risky and difficult forms of political action She shows the sense of honor to be an important source of such action and a spring of individual agency more generally Krause traces the genealogy of honor including its ties to conscientious objection and civil disobedience beginning in old regime France and culminating in the American civil rights movement She examines the dangers intrinsic to honor and the tensions between honor and modern democracy but demonstrates that the sense of honor has supported political agency in the United States from the founders to democratic reformers such as Elizabeth Cady Stanton and Martin Luther King Jr Honor continues to hold interest and importance today because it combines self concern and personal ambition with principled higher purposes and so challenges the disabling dichotomy between self interest and self sacrifice that currently pervades both political theory and American public life **Keeping the Republic** Christine Barbour,Gerald C. Wright,2013-01-15 View the interactive ebook here here The power of critical thinking and interactivity Artfully weaving in the analytic theme of power and the evaluative theme of citizenship Barbour and Wright deftly draw students into thinking critically about how and why institutions and rules determine who wins and who loses in American politics At the core of *Keeping the Republic* s engaging discussion of who gets what and how is the objective of helping students become actively engaged critical thinkers Each section and every feature in the book has one goal in mind to get students to think analytically and be skeptical of received wisdom It doesn t matter how students get their news and information from a popular blog or a traditional media outlet Barbour and Wright give students the tools they need to be thoughtful savvy consumers of political information and data With the publication of the sixth edition *Keeping the Republic* is now a full fledged integrated Media Edition When students purchase a new print copy of the book they receive FREE access to an enhanced ebook Through a series of icons students link to multimedia assets

Personal Recollections of Joan of Arc Mark Twain,2024-01-17 In *Personal Recollections of Joan of Arc* Mark Twain reimagines the life of the iconic French heroine through the eyes of her devoted page Louis de Conte Twain s prose combines meticulous historical detail with imaginative storytelling effectively bridging the gap between fact and fiction This novel departs from Twain s characteristic humor instead adopting a solemn tone that captures the moral complexity of Joan s trial and martyrdom Written in a style reminiscent of medieval chronicles the book reflects Twain s fascination with religious faith nationalism and the nature of heroism providing a profound exploration of Joan s impact on French identity Mark Twain born Samuel Langhorne Clemens was deeply influenced by the American West and its themes of individualism and morality His extensive research into Joan of Arc s life and the socio political context of 15th century France led him to craft this nuanced narrative Twain s belief in the inherent goodness and nobility of Joan mirrors his own values often reflecting his disdain for injustice and his advocacy for the underdog infusing the work with his characteristic empathy Readers seeking a thoughtful and richly textured portrayal of Joan of Arc will find Twain s work both enlightening and moving *Personal Recollections of Joan of Arc* stands as a testament to the enduring power of individual conviction amid societal upheaval making it an essential read for those interested in history literature and the complexities of human emotion

The Proclamations of the Tudor Queens Frederic A. Youngs,1976-09-02 This study investigates the independent prerogative which Mary I and Elizabeth I exercised through royal proclamations These public documents were announced throughout England informing men and arguing the Queen s positions commanding local officials to perform specific actions and on occasion creating new but temporary law that was designed to meet crisis situation when no delay could be tolerated The theoretical relationship between this prerogative power and the existing statutory law has been the subject of much debate This study adds an element previously neglected the investigation of the Queens actual use of the proclamations showing that they did innovate with vigour and legislate in them but only to supplement and not supplant the law and within the limits slowly being formulated in the sixteenth century Professor Youngs demonstrates how the proclamations affected domestic security and foreign affairs social and economic matters and religion

Overcoming Social Polarization Jessica L. Neu,2024-12-15 In this book Jessica Neu explores how to advance the discussion of deliberative democracy in an era defined by widespread social polarization and identity politics By utilizing the communication ethics scholarship of Ronald C Arnett as a theoretical framework and reference point for analysis Neu analyzes several pop culture artifacts to demonstrate how communication ethics and narrative driven perspectives can be applied pragmatically in order to reach dialogic civility in a post truth era Through recognizing each artifact s relationship

with rhetoric Neu highlights how they each represent ways in which discursive environment in physical space can be utilized to promote depolarization Ultimately this book provides a paradigmatic model that demonstrates how any individual can utilize this framework of communication ethics and deliberative democracy to enter a space of dialogic civility to depolarize our current post truth world *New Testament Philology* Melton Bennett Winstead, 2018-04-17 This work is dedicated to David Alan Black a New Testament scholar who has contributed to the love of the Koine Greek language as it pertains to New Testament studies in numerous ways as a professor author missionary and editor The goal of this book is to demonstrate for students the value of continued research in the Greek New Testament The essays demonstrate how research is currently being done utilizing such tools as grammatical studies discourse analysis textual criticism verbal aspect and other linguistic analyses The chapters include studies on exegesis verbal aspect prepositional compounds relevance theory and scripture memorization This book demonstrates the explanatory power of an in depth usage of New Testament Greek It is recommended for those who have had at least one year of Greek

Culture of Shame / Culture of Guilt Thomas Schirrmacher, 2018-05-10 Until now theology has hardly paid sufficient attention to the difference between cultures that are primarily guilt oriented and those that are primarily shame oriented Thomas Schirrmacher's work is noteworthy for the way he informs the reader not only as it relates to missionary theology and activity It goes on to inform the reader on this important topic as it relates to educational theory ethics and counseling from the points of view of both cultural anthropological and theology The work demonstrates that a total contrast between shame and guilt orientations does not correspond to the Biblical message nor is it derived from the tradition of the Occident and from churches of Reformation origin Rather shame was already considered in and integrated into these perspectives The work is particularly challenging insofar as it calls for closer attention to be paid to the significance of the undisputed differences between shame oriented and guilt oriented cultures for the Christian doctrine of sin and also of reconciliation with God through Christ Prof Dr Ulrich Eibach Professor for Systematic Theology Bonn Germany Prof Dr theol Dr phil Thomas Schirrmacher PhD ThD DD is professor of the sociology of religion at the State University of the West in Timisoara Romania Distinguished Professor of Global Ethics and International Development at William Carey University in Shillong Meghalaya India as well as president and professor of ethics at Martin Bucer European Theological Seminary and Research Institutes with branches in Bonn Berlin Zurich Innsbruck Prague Istanbul and Sao Paulo Schirrmacher has held guest professorships and has given special lectures at universities on all continents Schirrmacher is chair of the Theological Commission of the World Evangelical Alliance WEA director of the International Institute for Religious Freedom Bonn Cape Town Colombo and Ambassador for Human Rights of WEA the WEA represents churches with 600 million members altogether He also is a member of the board of the International Society for Human Rights Schirrmacher regularly testifies in the German parliament and other parliaments in Europe as well as in the EU in Brussels the OSCE in Vienna and other international bodies His has written 102

books three of his newest books are Fundamentalism Racism and Human Trafficking He has earned four doctorates in missiology and ecumenical theology in cultural anthropology in ethics and in sociology of religion and received two honorary doctorates from the USA and India

Modern Honor Anthony Cunningham, 2013-08-21 This book examines the notion of honor with an eye to dissecting its intellectual demise and with the aim of making a case for honor's rehabilitation Western intellectuals acknowledge honor's influence but they lament its authority For Western democratic societies to embrace honor it must be compatible with social ideals like liberty equality and fraternity Cunningham details a conception of honor that can do justice to these ideals This vision revolves around three elements character being relationships relating and activities and accomplishment doing Taken together these elements articulate a shared aspiration for excellence We can turn the tables on traditional ills of honor serious problems of gender race and class by forging a vision of honor that rejects lives predicated on power and oppression

Honor, Shame, and Guilt Daniel Y. Wu, 2016-07-31 In this study Wu explores how the concepts honor shame and guilt function in the book of Ezekiel as well as in the wider contexts of their general use in anthropological or social scientific approaches to biblical studies He frames Ezekiel's key terms for honor kabod shame bosh and guilt awah within an analysis of a broad perspective on these terms in the body of the Old Testament as a way of forming the concept spheres within which the specific instances of each term in Ezekiel sit Wu gleans insight from the dominant contemporary definitions of honor shame and guilt in the fields of psychology and anthropology and their application to biblical studies and he reflects on how this broader context informs and is informed by his analysis of Ezekiel The study concludes by drawing together the implications and contribution of the analysis of Ezekiel and applying them to the development of social scientific models for the future

Aegean Interactions Christy Constantakopoulou, 2017-09-15 The third century BC was a particularly troubled period of ancient Greek history when the Aegean sea became the main stage for power struggles between various royal circles and dynasties including the Antigonids and the Ptolemies This volume addresses the history of interaction in the Aegean world during this time by focusing on the island of Delos which housed one of its most important regional sanctuaries It draws on contemporary network theory and approaches to regionalism as well as thorough investigation of the Delian epigraphic and material evidence to explore how and to what degree the islands of

the southern Aegean formed active networks of political religious and cultural interaction Four case studies examine different types of networks on and around Delos covering the federal organisation of islands into the so called Islanders League the participation of Delian and other agents in the processes of monumentalisation of the Delian landscape the network of honours of the Delian community and the social dynamics of dedication through the record of dedicants in the Delian inventories They reveal not only that these kinds of regional interaction in the southern Aegean were pervasive but also that they had a significant impact on the creation of a regional identity one that persisted despite the political changes of the age
