Questions About Nehemiah 13:

Questions for the Journey Alan Gibson,2022-04-19 Questions for the Journey came as a result of a passion to know God more fully by exploring questions in the Bible To my amazement the questions created space for God to work deeply in my life This devotional book by design requires a process for the integration and application of daily Bible reading I have included that process for devotional reading in the beginning of the book It is not a Bible study but a meditative approach that allows God to speak into your life I discovered this approach after many years of using other methods After being exposed to the Lectio Divina I was able to develop something which worked Devotional times no longer needed to be boring or dutiful but became moments of enjoyment with God If your time alone with God has become mundane I encourage you to try this book After utilizing this method I am convinced you will once again enjoy the quiet time with God and embark on a journey of discovery where God brings things to light in your life

40 Questions About the Historical Jesus

C. Marvin Pate,2015-04-27 Answers to critical questions regarding the study of the Jesus of history and the Christ of faith The conclusions of the quest for the historical Jesus which casts the majority of Christ s life as a myth are a stark contrast to the orthodox view of Christ as presented in the Bible Pate demonstrates that a critical analysis of the gospel text along with historical and cultural methods of investigation actually point toward an orthodox view of Christ This work argues that the canonical Gospels are the most trustworthy information we have about the gospel writers as well as the life and ministry of Jesus including his death visit to hades resurrection and ascension Readers will be encouraged by the reliability of the Gospel writers the reality of Jesus humanity and deity and the inferiority of the apocryphal gospels
