year military experience as a draftee He considers the pros and cons of an all volunteer military whether a draft is necessary and if so how to make it fair and equitable the possibility of other forms of national service our continuing entanglement in undeclared wars more recent examples of war atrocities and the residual effects of military service on individuals Uncle Sam Wanted Me offers insights ripened reflections for the author's generation as well as for a new generation that overwhelmingly isn't personally exposed to anything military much less the draft
