

Qui A Peur De Wolf

Adolphe Franck

Qui A Peur De Wolf:

Picturing the Wolf in Children's Literature Debra Mitts-Smith, 2012-12-06 From the villainous beast of Little Red Riding Hood and The Three Little Pigs to the nurturing wolves of Romulus and Remus and Rudyard Kipling's The Jungle Book the wolf has long been a part of the landscape of children's literature. Meanwhile since the 1960s and the popularization of scientific research on these animals children's books have begun to feature more nuanced views. In Picturing the Wolf in Children's Literature Mitts Smith analyzes visual images of the wolf in children's books published in Western Europe and North America from 1500 to the present. In particular she considers how wolves are depicted in and across particular works, the values and attitudes that inform these depictions and how the concept of the wolf has changed over time. What she discovers is that illustrations and photos in works for children impart social, cultural and scientific information not only about wolves but also about humans and human behavior. First encountered in childhood picture books, act as a training ground where the young learn both how to decode the symbolic wolf across various contexts and how to make sense of real wolves. Mitts Smith studies sources including myths, legends, fables, folk and fairy tales, fractured tales, fictional stories and nonfiction, highlighting those instances in which images play a major role, including illustrated anthologies, chapbooks, picture books and informational books. This book will be of interest to children's literature scholars as well as those interested in the figure of the wolf and how it has been informed over time.

Quand un homme rêve Lavie Tidhar, 2017-04-05 Auschwitz pendant la guerre, un homme rêve. La nuit venue pour chapper la réalité terrifiante du camp, Shomer imagine un autre monde. Un monde crepusculaire dans lequel Wolf, un chef nazi, a l'obligation de fuir Londres. Pour survivre dans les rues crasseuses de la capitale, Wolf est devenu détective privé. Un jour, dans son bureau misérable, il rencontre une femme juive qui lui demande de retrouver sa sœur. Wolf hait les Juifs, ils sont responsables de son exil, ils hantent son présent et ses souvenirs. Mais l'ex-chantre du nazisme a désormais besoin d'argent. Il accepte donc cette mission qui le conduit à humiliations en humiliations. Entre le rêveur et son personnage étranges liens se tissent. Et dans sa descente, Wolf finit aussi par devenir plus humain. Quand Histoire et imaginaire s'entrecroisent. Un roman magistral.
