Change Agents Justin Cohen, 2022-09-16 Educators you are the hope you've been looking for. Have you ever wondered what it would look like for you and your colleagues to really change how things are done in your school? For over twenty-five years, Partners in School Innovation has empowered educators in doing just that across twenty-two school districts and eight states, dramatically improving underperforming schools in the process. Their secrets: Specialized adult learning tools, a results-oriented cycle of inquiry, professional development systems focused on coaching and collaboration, implementing improvement science, understanding the roles of race, class, culture, and power in schools, and more. This book presents those time-tested, research-based practices through narratives chronicling the efforts of real-life educators. It presents thoughtful checklists and discussion questions to help educators strengthen the skill sets and mindsets needed to implement sustainable school improvement. A lot has changed in recent years, but the solution to turning schools into lively, loving learning communities remains the same: you. This book provides a blueprint for you to become the change agent your students need.

High Leverage Practices for Inclusive Classrooms James McLeskey, Lawrence Maheady, Bonnie Billingsley, Mary T. Brownell, Timothy J. Lewis, 2018-07-20 High Leverage Practices for Inclusive Classrooms offers a set of practices that are integral to the support of student learning and that can be systematically taught, learned, and implemented by those entering the teaching profession. The book focuses primarily on Tiers 1 and 2 of work that mostly occurs with students with mild disabilities in general education classrooms and provides rich, practical information highly suitable for teachers but that can also be useful for teacher educators and teacher preparation programs. This powerful, research-based resource offers twenty-two brief, focused chapters that will be fundamental to effective teaching in inclusive classrooms.

Making RTI Work Wayne Sailor, 2009-10-12 Offers best practices for implementing RTI at the school-wide level to ensure success for all learners. Response to Intervention is now mandated at schools across the country. While there are a handful of books offering tips on implementation, schools are still struggling to find the best approaches. This book from a prominent RTI researcher explains how the most successful schools using RTI manage the process. Sailor offers best practices for implementing RTI not only at the classroom level but also at the school-wide and district-wide levels to ensure no student falls through the cracks and schools fulfill the promise of RTI. Offers clear guidance on implementing Response to Intervention effectively. Reveals the framework used by the most successful schools using RTI. Includes information on applying RTI for behavioral problems as well as academic challenges. Contains illustrative examples of how the approach is applied at all levels from individual student to school-wide and district-wide. Written by a top researcher in the field of Response to Intervention.
