The Sexual Organization of the City Edward O. Laumann, Stephen Ellingson, Jenna Mahay, Anthony Paik, Yoosik Youm, 2005-08-01 We think of the city as a place where anything goes Take the sensational fantasies and lurid antics of single women on *Sex in the City* or young men on *Queer as Folk* and you might imagine the city as some kind of sexual playground a place where you can have any kind of sex you want with whomever you like anytime or anywhere you choose But in *The Sexual Organization of the City* Edward Laumann and company argue that this idea is a myth Drawing on extensive surveys and interviews with Chicago adults they show that the city is to the contrary a place where sexual choices and options are constrained From Wicker Park and Boys Town to the South Side and Pilsen they observe that sexual behavior and partnering are significantly limited by such factors as which neighborhood you live in your ethnicity what your sexual preference might be or the circle of friends to which you belong In other words the social and institutional networks that city dwellers occupy potentially limit their sexual options by making different types of sexual activities relationships or meeting places less accessible To explain this idea of sex in the city the editors of this work develop a theory of sexual marketplaces the places where people look for sexual partners They then use this theory to consider a variety of questions about sexuality Why do sexual partnerships rarely cross racial and ethnic lines even in neighborhoods where relatively few same ethnicity partners are available Why do gay men and lesbians have few public meeting spots in some neighborhoods but a wide variety in others Why are African Americans less likely to marry than whites Does having a lot of friends make you less likely to get a sexually transmitted disease And why do public health campaigns promoting safe sex seem to change the behaviors of some but not others Considering vital questions such as these and shedding new light on the city of Chicago this work will profoundly recast our ideas about human sexual behavior *Church Administration* Robert H. Welch, 2011 From the front desk to the back office a clear and thorough guide that helps pastors and church staff become effective and efficient leaders managers and administrators Second edition *Leadership Handbook of Management and Administration* James D. Berkley, 2008-01-01 This substantial resource offers pastors and church leaders practical insight into the daily issues of running a church Conceived and compiled by the editors of *Leadership journal* this book covers the full spectrum of ministry practice Readers will learn about perennial topics such as time management negotiating the terms of a call handling crisis and conflict hiring and managing staff conducting special fund drives spending church money and dealing with tax and law considerations This revised and expanded edition of a proven ministry resource contains new contributions from prominent ministry leaders Contributors include Leith Anderson Rick Warren Brian McLaren Luis Palau John Ortberg Aubrey Malphurs and many others **Engaging Modernity** Dawid J. Venter, 2004-05-30 The key theme addressed by all the contributors to this book is the relationship between South Africa's indigenous churches AICs to modernity The key question asked by each of the contributors is to what extent if any do AICs serve as bridges to tradition or as facilitators for modernizing practices

Although the researchers do not agree on the answer to this question some argue for the return to tradition others argue for the facilitation perspective they do provide provocative and timely insights for prospective researchers interested in exploring concepts and methodologies for understanding modernity and modernization Based on a number of case studies of AICs in South Africa this book will also be of great interest to scholars of comparative religion and the role churches play in negotiating the complex terrains of politics society and economy in this era of globalization *Church Administration* Robert H. Welch,2011-07-15 For churches and religious nonprofit operations the business of business is not business it is ministry Still such institutions have to make plans Because skilled organization is needed to accomplish specific tasks a leader must train and motivate workers in progress and effectiveness This second edition of Church Administration helps pastors and church staff become effective and efficient leaders managers and administrators Among the topics discussed are Administration Documents Organizing the Church Administering Personnel Resources Financial Resources Physical Resources and Administering Risk Management Writing for students as well as those already in this line of work author Robert H Welch promises If you understand the tenants of general administration and the techniques of ministerial leadership your job will be made significantly easier **Churches and Church Membership in the United States, 1990** Martin B. Rx for the Ailing Bride Nathan James, 2012-01-04 Today's church has shackled itself to many Reformation doctrines not supported in scripture Regarding salvation two of those doctrines that have been particularly detrimental are Calvinism and Arminianism Both of these have selectively filtered Biblical passages through their man made theological construct effectively rejecting the whole council of God Baptist churches in particular have widely subscribed to either the doctrines or mission of Arminianism which essentially requires that every believer's primary responsibility is to be an evangelist Preaching this man made doctrine from pulpits every Sunday has played a significant role in stunting the spiritual growth of most members as they are crammed into a role outside of their spiritual gifting At the same time the real work associated with a believer's true spiritual giftedness is going unused failing to minister to the body of Christ as God designed The cumulative effect is that the local church is focused on enticing those outside the church to join an assembly that essentially ignores the needs of those within The key marker that Jesus said would show the outside world who we belong to is our love for one another The early church understood this clearly as they shared all things in common with their fellow believers They sacrificially gave of their physical possessions to meet the tangible needs of the saints and used their spiritual gifts to edify and strengthen one another spiritually So if the Arminianistic model is not valid what does the ideal Christian look like Based on Scripture we see these essential characteristics Seeking to be daily clean before God and filled with the Holy Spirit Operating in the Body of Christ in accordance with the spiritual gift bestowed to each believer and Actively obedient to the Commands of Christ Join Nathan in exploring these characteristics as he seeks to bring maturity to believers and to restore the well being and health of the sickly bride of Christ

Gospel Shaped Living Leader's Guide Vernon Pierre, 2015-10-16 Leader's Guide for a seven week whole church course exploring how a church should live as a light to the world Gospel Shaped Church is a curriculum from The Gospel Coalition that will help whole congregations pause and think carefully and prayerfully about the kind of church they are called to be Gospel Shaped Living is a track that explores over 7 sessions what it means for a local church to be a distinctive countercultural community How should Christians live The church should be a distinctive community of God's people but how different are we from the rest of the world This track helps us untangle some of the false ideas and traditions that evangelicals have had in the past and reveals the more deeply challenging picture that emerges from Scripture This flexible resource will train your whole church through teaching

preaching daily reading and small group Bible study and discussion or any combination of those elements The overall aim is that your church will embark on a journey to discover the kind of people they should be as they are shaped by the gospel of Jesus Christ *Army Casualty Operations/assistance/insurance* United States. Department of the Army,1994 *Conceiving the Christian College* Duane Litfin,2004-09-24 This book is designed to help those who are interested in Christian higher education explore anew the unique features opportunities and contemporary challenges of one distinct type of educational institution the Christian college What distinguishes *Conceiving the Christian College* from the many other books on this subject is its incisive discussion of a set of crucial ideas widely misunderstood in the world of Christian higher education Now serving in his eleventh year as president of one of the nation s foremost Christian colleges Duane Litfin is well placed to ask pressing questions regarding faith based education What is unique about Christian colleges What is required to sustain them How do they maintain their bearing in the tumultuous intellectual seas of the twenty first century Litfin s themes are large but they are meant to refocus the conceptual challenges to Christian education in ways that will strengthen both the academic environment of today s Christian colleges and their impact on culture at large **Health Evangelism Manual** Esther Juarez,2020-09-02 Before Jesus returns the whole world will be lightened with His glory Have you ever wondered how this amazing manifestation of the power of God will become a reality Jesus wants His love to be displayed through the actions of His people God s character will be perfectly reflected in His church before He comes back As a result the whole world will witness His love in action and truly know Him The *Health Evangelism Reference Manual* will help the reader understand how to live by faith in Jesus in a way that will attract others to Him and His salvation The close relationship between the third angel s message and health reform will be explored From becoming the ideal coaching friend to operating your own church health programs this manual will provide tools and inspiration to make this experience your own The practical godliness and friendship described in this book will lead the reader to realize his great need for a closer walk with Jesus It will lead the honest seeker into a deeper understanding of righteousness by faith Now is the time for every child of God to joyfully embrace this message and set to work in the vineyard calling others to receive the message of salvation **Spirits and Letters** Thomas G. Kirsch,2011 This work offers a substantial intervention into broader debates about religion media and materiality *Missionary Interests* David Golding,Christopher Cannon Jones,2024-04-15 In *Missionary Interests* David Golding and Christopher Cannon Jones bring together works about Protestant and Mormon missionaries in the nineteenth and twentieth centuries charting new directions for the historical study of these zealous evangelists for their faith Despite their sectarian differences both groups of missionaries shared notions of dividing the world categorically along the lines of race status and relative exoticism and both employed humanitarian outreach with designs to proselytize American missionaries occupied liminal spaces between proselytizer and proselytized feminine and masculine colonizer and colonized Taken together the chapters in *Missionary Interests* dismantle easy characterizations of missions and conversion and offer an

overlooked juxtaposition between Mormon and Protestant missionary efforts in the nineteenth and twentieth centuries
