

DRESS CODE POLICY

1. PURPOSE

In order to maintain a safe, healthy, clean and functional work environment, [COMPANY NAME] requires that employees wear clean and appropriate clothing for the job. Our dress code policy provides guidelines and some restrictions on acceptable attire in the workplace.

2. SCOPE

This policy applies to all employees who work from our offices or in public and who may come into contact with customers, colleagues, visitors or members of the public in the course of their duties. This includes off-site and off-site activities and activities outside normal working hours.

3. POLICY

Dress, grooming and personal cleanliness standards contribute to the morale of all employees and have an impact on the company's image. Indeed, [COMPANY NAME] want employees who represent the organization or who work on the company's premises to have a professional look and to wear appropriate clothing for a workplace.

During business hours or when representing [COMPANY NAME], you are expected to present a clean, neat, and tasteful appearance. You should dress and groom yourself according to the requirements of your position and accepted social standards. This is particularly true if your job involves dealing with customers or visitors in person.

Your supervisor or department head is responsible for establishing a reasonable dress code appropriate to the job you perform. Consult your supervisor if you have questions as to what constitutes appropriate appearance. Where necessary, reasonable accommodation may be made to a person with a disability.

Without unduly restricting individual tastes, the following personal appearance guidelines should be followed:

3.1 Acceptable clothing

- Dress shirts and pants, sports jackets, blazers
