Byline:

Kathmandu: Practicing witchcraft is an evil act punishable by the law of the land. **However** it is widely practiced in rural parts of the country due to superstition, illiteracy, lack of public awareness, poverty and social and economic disparity. Most of the victims of witchcraft are women from humble socio-economic background, single women, differently-abled women, who are subjected to ill-treatment and torture on charges of practicing witchcraft.

Paragraph 1

Use 5-7 transitions. These words are also called linking words.

Furthermore, these categories of people are accused of being witches when their neighbors or family members die or fall ill due to whatsoever reasons. **Disappointingly**, The victims are sometimes smeared with soot, forcefully fed human excreta, beaten up, ostracized from the society or in some cases, beaten up to death. Most of the perpetrators include family members, neighbors and witchdoctors and shaman. Even if the victims of the witchcraft allegation are reported to the police, influential local people try to settle the cases within the villages offering them of financial compensation. **Although**

Paragraph 2

law has defined that accusation of witchcraft is a heinous form of violence, such incidents still take place because of unequal power relations between men and women, who are deprived on property rights and access to law.

According to the statistics provided by the Nepal Police, it registered a total of 61 cases of witchcraft accusation and subsequent torture across the country in the fiscal 2020-21, which is an increase by 79.41 per cent compared to 34 cases of witchcraft accusation in the fiscal 2019-20. Police said 80 perpetrators of witchcraft charge-related violence were recorded in this period.

Paragraph 3

Massive public awareness campaign, along with the involvement of witchdoctors and shaman, can help control the cases of witchcraft.

Moreover, elected representatives at the local levels can also play a vital role in preventing the witchcraft.

Paragraph 4

Overall, since we cannot completely get rid of the witchcraft practice overnight, we need to educate the witchdoctors and shaman so that they can advise the people to visit the health facilities before it is too late.

Paragraph 5

News article is written in **two columns**. This structure (two columns) is usually preferred for **news based writing**. However, it can also be written in **single column**.
