

Describing Friend's Character

I have a friend, his name is Dima.

I know him about five years. He amazed me by his intelligence and brainy. He knows the answer on any question. Even if he doesn't know the correct answer, he'll find the way to explain it. I appreciate his optimism and indifference at the same time. When something bad has happened, he is always determined. He says that next time he would be more sense and had learned a lot from that situation.

And next day he behaves as if nothing has happened. Moreover he looks indifferently at some situations that help him not to work up. Dima has got a unique humor; I can't stop smiling when he begins joking. He is unconventional. He looks differently at the world. I can't even imagine what is going on in his head. Also Dima is broad-minded, he is keen on travelling.

He visits different places four times a year, moreover he adore snowboarding, that's why the main part of his trips includes mountains. Dima is easy-going, he can easily find common ground. Nevertheless each person has negative sides of his character. Sometimes Dima is brusque and impolite. His straightforwardness spurns people. If he doesn't gain person, he will deal shortly with him. I don't think that it's bad behavior, but sometimes it goes over the line.

However he is frank and open-hearted. He enjoys having heart-to-heart talk with family and friends. In spite of his imperturbability he is vulnerable deep in his mind. But he won't show it, because he thinks that it points out man's weakness. In conclusion I would like to add that I'm proud that I have such friend. Dima is goal-seeking and ambitious. He knows what he wants and secures his object in any case.
