Literacy Essentials Regie Routman, 2023-10-10 In her practical and inspirational book *Literacy Essentials: Engagement, Excellence, and Equity for All Learners*, author Regie Routman guides K-12 teachers to create a trusting, intellectual, and equitable classroom culture that allows all learners to thrive as self-directed readers, writers, thinkers, and responsible citizens. Over the course of three sections, Routman provides numerous "Take Action" ideas for implementing authentic and responsive teaching, assessing and learning. This book poses a key question: How do we rise to the challenge of providing an engaging, excellent, equitable education for all learners, including those from high-poverty and underserved schools? *Teaching for Engagement*: Many high-performing schools are characterized by a thriving school culture built on a network of authentic communication. Teachers can strengthen classroom engagement by building a trusting and welcoming environment where all students can have a safe and collaborative space to grow and develop. *Pursuing Excellence*: Routman identifies 10 key factors that describe an excellent teacher, ranging from intellectual curiosity to creativity, and explains how carrying yourself as a role model contributes to an inclusive, caring, empathic, and fair classroom. She also stresses the importance for school leaders to make job-embedded professional development a top priority. *Dismantling Unequal Education*: The huge gap in the quality of education in high vs. low-income communities is the civil rights issue of the 21st century, according to Routman. She spells out specific actions educators can take to create more equitable schools and classrooms, such as diversifying texts used in curriculums and ensuring all students have access to opportunities to discuss, reflect, and engage with important ideas. From the author: I wrote *Literacy Essentials* because I saw a need to simplify teaching, raise expectations, and make expert teaching possible for all of us. I saw a need to emphasize how a school culture of kindness, trust, respect, and curiosity is essential to any lasting achievement. I saw a need to demonstrate and discuss how and why the beliefs, actions, and knowledge we hold determine the potential for many of our students. Equal opportunity to learn depends on a culture of engagement and equity, which underlies a relentless pursuit of excellence.
