While an education-related bill passed, the bill mandating that every classroom in the state employ 20 students is an outlier by the numbers. That single bill passed, while thousands did not. And it got to the floor and passed in record time. But there's the other side: the number of bills that failed to get to the floor. The bill mandating 20 students per classroom failed 10 times. The bill mandating that every classroom have at least one teacher failed 10 times. The bill mandating that every classroom have at least one teacher failed 10 times.

It really just boiled for many groups and we had a fantastic turnout. There were approximately 40-50 kids with parents accompanying them to school and some for group meetings. I was really happy that we had opportunities to help them understand the situation and the importance of the situation. We were able to help them understand the situation and the importance of the situation. We were able to help them understand the situation and the importance of the situation.
