to sail the boat fast This comes down to hours on the water training and tuning there are few shortcuts to hours of practising on the water To consistently win races you need to sail fast and smart making the right decisions to sail the best course If you are not the fastest boat you are still able to win races and regattas by managing risk and sailing smart This is where good tactics come in But unlike boatspeed tactics may be learnt by thinking about each leg of the course and different situations from the comfort of your own home Jon Emmett s new book *Tactics Made Simple* is a great tool to help fast track this learning This book explains simply through hundreds of diagrams what tactics can be applied around the race track Individual boats in each scenario are given names so that you can easily understand what they are doing Individual chapters take you around the race course from before you get on the water through the pre start start different legs and manoeuvres Each section contains detailed advice for the beginner intermediate and advanced sailor so you can just look at the level of tactics relevant to you Ideal for dinghy sailors there is also a wealth of advice that will benefit yachtsmen This is a practical way to improve your racing results whether starting out moving up the club circuit or competing at national level and beyond Originally published by Wiley Nautical as *Be Your Own Tactics Coach* *Tactics to Win* Nick Craig,2018-03-06 Unless you have unbeatable boatspeed tactics are vital to winning sailboat races Multi champion Nick Craig shows you how to develop a strategy and what tactics to adopt on every leg and at every mark of the course His first book *Helming to Win* was described as original thought provoking like no other that has gone before it He now turns his highly analytical mind to the subject of tactics He discusses the inputs into strategy starting and the race plan going through each leg in turn Nick then tackles mark tactics covering every different type of mark and fleet tactics on every leg of the course He finally focusses on boat to boat tactics again on every leg of the course In each situation he covers attacking and defensive tactics either to get ahead or make sure you stay ahead Non spinnaker symmetrical spinnaker and asymmetric dinghies are all covered because Nick has won world or national championships in each of these types of boats Having read Nick s first book many said that it had transformed the way they sailed This book will have the same effect on your tactics and should see you moving up the leaderboard *Start to Win* Eric Twiname,2009-08-21 A sailing classic this is the unequalled book on simple racing principles Back in print by high demand with a new design and updated artwork there is nothing else that sets out the techniques of sailing in such a clear understandable manner *Sailing to Win* R.N. Bavier (Jr.),1978 ***Tactics to Win*** Nick Craig,2018-03-06 Unless you have unbeatable boatspeed tactics are vital to winning sailboat races Multi champion Nick Craig shows you how to develop a strategy and what tactics to adopt on every leg and at every mark of the course His first book *Helming to Win* was described as original thought provoking like no other that has gone before it He now turns his highly analytical mind to the subject of tactics He discusses the inputs into strategy starting and the race plan going through each leg in turn Nick then tackles mark tactics covering every different type of mark and fleet tactics on every leg of the course He finally focusses on boat to boat tactics again on every leg of the course In each situation he covers attacking and

defensive tactics either to get ahead or make sure you stay ahead Non spinnaker symmetrical spinnaker and asymmetric dinghies are all covered because Nick has won world or national championships in each of these types of boats Having read Nick s first book many said that it had transformed the way they sailed This book will have the same effect on your tactics and should see you moving up the leaderboard

Training to Win Jon Emmett,2019-03-05 Gold medal winning coach Jon Emmett works with sailors and coaches around the world and is frequently asked things like What is a good exercise to improve this Why do we do this exercise How do we make the exercise more less difficult This book is the answer to those frequently asked questions It contains training exercises for each element of a sailing race As well as describing and illustrating the exercise it tells you what skills you are trying to improve why and how to make the exercise harder or easier The book will enable coaches to deliver better more focussed training sessions but it will also help sailors who don t have the benefit of a coach to practise and improve their sailing skills The exercises are marked as to whether they are suitable for solo boats groups of boats or those with a coach boat As Aristotle said We are what we repeatedly do Excellence then is not an act but a habit Armed with this book get out do some training and improve your sailing skills
