Dear Mrs. Sheehan,

As an Advanced Practice Registered Nurse with over 5 years of experience in critical care and medical/surgical units, I'm excited to help the Southern Hospital team deliver cost-efficient, clinically competent care.

Through my clinical and critical care experiences, I've developed strong skills in counseling patients, planning treatment, patient care, and interdisciplinary teamwork. In my current role as a Neonatal Nurse Practitioner, I manage critical care for neonates and infants in a 20-bed Neonatal ICU. In addition, I've worked as a Facility Nurse Practitioner in private medical practice, serving as a focal point of contact for clients and primary care providers to ensure high-quality care delivery. Please consider the following snapshot of my key achievements:

- Developed and implemented a new EMR system, which streamlined the overall record management system and improved efficiency by 47%;
- Received "Top Performing Provider" award based on national rankings;
- Ranked in the top 10% for delivering an exceptional patient experience.
