Left No Forwarding Address (for fans of David Baldacci, James Patterson and Michael Connelly) Gerald J. Davis,2011-08-03 Have you ever wished you could start over That you could leave everything and everyone behind and find a new life Our narrator takes that risk He leaves a weary dull anesthetized existence abandons his family and sets out to live as an explorer in the jungle that is called New York City in the long shot hope of finding contentment He changes his appearance and takes a new identity but he is not prepared for the obstacles he encounters and the enemies who surround him He descends into a world where you write the rules as you go along and where there are no dental plans no alimony and no frequent flier miles Join him as he embarks on a journey of self discovery with an uncertain outcome
