

A bride in a white gown and veil is running through a doorway, holding a bouquet of flowers. The scene is captured in a dramatic, low-key lighting style, with the bride's figure silhouetted against the bright light coming from the doorway. The bride's long veil flows behind her as she moves.

*Religion and Doctor Who* Andrew Crome,James F. McGrath,2013-11-14 Doctor Who has always contained a rich current of religious themes and ideas In its very first episode it asked how humans rationalize the seemingly supernatural as two snooping schoolteachers refused to accept that the TARDIS was real More recently it has toyed with the mystery of Doctor s real name perhaps an echo of ancient religions and rituals in which knowledge of the secret name of a god angel or demon was thought to grant a mortal power over the entity But why does Doctor Who intersect with religion so often and what do such instances tell us about the society that produces the show and the viewers who engage with it The writers of Religion and Doctor Who Time and Relative Dimensions in Faith attempt to answer these questions through an in depth analysis of the various treatments of religion throughout every era of the show s history While the majority of chapters focus on the television show Doctor Who the authors also look at audios novels and the response of fandom Their analyses all written in an accessible but academically thorough style reveal that examining religion in a long running series such as Doctor Who can contribute to a number of key debates within faith communities and religious history Most importantly it provides another way of looking at why Doctor Who continues to inspire to engage and to excite generations of passionate fans whatever their position on faith The contributors are drawn from the UK the USA and Australia and their approaches are similarly diverse Chapters have been written by film scholars and sociologists theologians and historians rhetoricians philosophers and anthropologists Some write from the perspective of a particular faith or belief others write from the perspective of no religious belief All however demonstrate a solid knowledge of and affection for the brilliance of Doctor Who
