Sufism and Society John Curry,Erik Ohlander,2012-06-12 In recent years many historians of Islamic mysticism have been grappling in sophisticated ways with the difficulties of essentialism Reconceptualising the study of Islamic mysticism during an under researched period of its history this book examines the relationship between Sufism and society in the Muslim world from the fall of the Abbasid caliphate to the heyday of the great Ottoman Mughal and Safavid empires Treating a heretofore under researched period in the history of Sufism this work establishes previously unimagined trajectories for the study of mystical movements as social actors of real historical consequence Thematically organized the book includes case studies drawn from the Middle Eastern Turkic Persian and South Asian regions by a group of scholars whose collective expertise ranges widely across different historical geographical and linguistic landscapes Chapters theorise why how and to what ends we might reconceptualise some of the basic methodologies assumptions categories of thought and interpretative paradigms which have heretofore shaped treatments of Islamic mysticism and its role in the social cultural and political history of pre modern Muslim societies Proposing novel and revisionist treatments of the subject based on the examination of many under utilized sources the book draws on a number of disciplinary perspectives and methodological approaches from art history to religious studies As such it will appeal to students and scholars of Middle East studies religious history Islamic studies and Sufism

Balancing the Budget is a Progressive Priority Donald H. Taylor, Jr.,2012-04-23 Progressives need a balanced federal budget more than Conservatives because they believe that government has an important role to play in modern life Lack of a long term plan to move toward a sustainable budget crowds out short term Progressive priorities infrastructure spending green technology education and needed governmental interventions in the short term to support and improve our weak economy The federal budget is unsustainable For all the bluster of the debt ceiling debate the plan passed so far does not address the changes most obviously needed if we are to ever have a balanced budget again an increase in taxes and the next steps on health reform to address the biggest driver of our long term budget deficit health care costs Slowing the rate at which health care costs are growing is a necessary but not a sufficient condition to developing a long range balanced budget You should ask any politician saying they think a balanced budget is a priority one question what is your health reform plan Without one they have no hope of achieving their goal This book offers progressives solutions to health care reform and a balanced budget and will be of interest to academics students and educated readers interested in politics public policy and government finance

Pentecostal Preaching and Ministry in Multicultural and Post-Christian Canada Steven M.

Studebaker,2019-11-07 Over the past forty years Canada has become an increasingly secular multicultural and religiously plural society Indeed the church in Canada and Pentecostals in particular face a challenging context for responding to the call to bear witness to Christ in the power of the Holy Spirit Like the disciples on the day of Pentecost however we need the Holy Spirit to come upon us and liberate us from our post Christian pessimism We need the Holy Spirit to enable us to proclaim the gospel to the nations people that are no longer at the ends of the earth but making their home in Canada This book engages this new context and considers and proposes ways that pentecostal Christians and churches can respond to the challenges of the increasingly post Christian multicultural secular and religiously plural context of Canadian society
