Flowers, 2015-12-07 Global Writing for Public Relations Connecting in English with Stakeholders and Publics Worldwide provides multiple resources to help students and public relations practitioners learn best practices for writing in English to communicate and connect with a global marketplace Author Arhlene Flowers has created a new approach on writing for public relations by combining intercultural communication international public relations and effective public relations writing techniques Global Writing for Public Relations offers the following features Insight into the evolution of English language communication in business and public relations as well as theoretical and political debates on global English and globalization An understanding of both a global thematic and customized local approach in creating public relations campaigns and written materials Strategic questions to help writers develop critical thinking skills and understand how to create meaningful communications materials for specific audiences Storytelling skills that help writers craft compelling content Real world global examples from diverse industries that illustrate creative solutions Step by step guidance on writing public relations materials with easy to follow templates to reach traditional and online media consumers and businesses Self evaluation and creative thinking exercises to improve cultural literacy grammar punctuation and editing skills for enhanced clarity and Supplemental online resources for educators and students English is the go to business language across the world and this book combines the author's experience training students and seasoned professionals in crafting public relations materials that resonate with global English language audiences It will help public relations students and practitioners become proficient and sophisticated writers with the ability to connect with diverse audiences worldwide *Trials and Triumphs in Adversity* Stanley A. Vambe, 2013-08-27 This book of reminiscences charts the life of a young man Kamturugudu short Kamtu growing up in an African township during the Rhodesian era It chronicles a journey that spans his formative years from primary school through to his secondary school years It gives some insight into the Rhodesian primary and secondary school education systems then and the challenges faced by the youngster as he tried to make sense of a school disciplinary system that often bordered on physical abuse The chronicles of Kamtus childhood

adventures and conflicts make one wonder how he came through it all without any emotional scars In his early teens bemused by the contradiction between ancestral worship and Christianity he asks poignant questions regarding the oxymoron that was the coexistence of the two beliefs within his family and as a result conflict with his mother siblings and cousins was an inevitable eventuality A brief escape to the shores of England provided a temporary reprieve from the stress and anxiety triggered by his appointment to the role of a spirit medium but on his return to Zimbabwe the traditional cloth which had been assigned to him as the emblem of his supposedly elevated status was awaiting him In his quest for answers and a means of escape he stumbles into a tent church meeting and witnesses a logic defying event that changes his life forever
