Sample Nondenominational Church Service Program:

Faith-based Perspectives on the Provision of Community Services United States. Congress. House. Committee on Government Reform. Subcommittee on Criminal Justice, Drug Policy, and Human Resources, 2004 *Live Long and Prosper* Sandra L. Barnes, 2012-12-17 This pioneering new study of the Black megachurch phenomenon brings nuance and depth to the question Are Black megachurches more focused on prosperity than on people Black megachurches and their pastors are often accused of failing to use their considerable resources to help the poor focusing on prosperity theology rather than on social justice requiring excessive monetary and time commitments of members and pilfering church coffers for the their personal use The debate rages on about whether these congregations are doing all they can to address specific challenges facing African American communities *Live Long and Prosper* is a refreshing innovative study that reaches beyond superficial understandings of the Black megachurch phenomenon in a piercing interrogation of how powerful megachurches address or fail to address two social crises in the Black community HIV AIDS and poverty *Live Long and Prosper* offers an intriguing examination of sixteen representative Black megachurches and explores some of their motivations and subsequent programmatic efforts in light of prosperity or health and wealth theology Professor Barnes makes the case that the Black megachurch is a complex contemporary model of the historic Black church in response to globalism consumerism secularism religious syncretism and the realities of race She contends that many of these megachurches hold unique characteristics of adaptability and innovation that position them well to tackle difficult social issues Prosperity theology emphasizes two characteristics physical health and economic wealth as examples of godly living and faith This book considers whether and how efforts to address HIV AIDS a health issue and poverty a wealth issue are influenced by church and clergy profiles theology in general and prosperity theology in particular Frame analysis informs this mixed methodological study to compare and contrast experiences theological beliefs pastoral profiles and programs *Live Long and Prosper* is a must read for general readers academics and students alike indeed anyone interested in the contemporary Black megachurch s response to social problems and the link between theology and social action It is at once a fascinating readable narrative and a rich piece of scholarship complete with extensively documented endnotes statistics informative charts and tables and an exhaustive bibliography *Live Long and Prosper: How Black Megachurches Address HIV/AIDS and Poverty in the Age of Prosperity Theology* Sandra L. Barnes, 2013 This title offers an intriguing examination of 16 representative black megachurches and explores some of their motivations and subsequent programmatic efforts in light of prosperity or health and wealth theology

The Christian Advocate , 1914 *Resources in Education* , 1996-04 *Saving America?* Robert Wuthnow, 2009-11-06 On January 29 2001 President George W Bush signed an executive order creating the White House Office of Faith Based and Community Initiatives This action marked a key step toward institutionalizing an idea that emerged in the mid 1990s under the Clinton administration the transfer of some social programs from government control to religious organizations However

despite an increasingly vocal ideologically charged national debate a debate centered on such questions as What are these organizations doing How well are they doing it Should they be supported with tax dollars solid answers have been few In *Saving America* Robert Wuthnow provides a wealth of up to date information whose absence until now has hindered the pursuit of answers Assembling and analyzing new evidence from research he and others have conducted he reveals what social support faith based agencies are capable of providing Among the many questions he addresses Are congregations effective vehicles for providing broad based social programs or are they best at supporting their own members How many local congregations have formal programs to assist needy families How much money do such programs represent How many specialized faith based service agencies are there and which are most effective Are religious organizations promoting trust love and compassion The answers that emerge demonstrate that American religion is helping needy families and that it is more broadly fostering civil society Yet religion alone cannot save America from the broad problems it faces in providing social services to those who need them most Elegantly written *Saving America* represents an authoritative and evenhanded benchmark of information for the current and the coming debate **FCC Record** United States. Federal Communications Commission,2012 *United States Congressional Serial Set, Serial No. 14725, House Reports Nos. 131-152 , Federal Communications Commission Reports* United States. Federal Communications Commission,1966 **Federal Communications Commission Reports. V. 1-45, 1934/35-1962/64; 2d Ser., V. 1- July 17/Dec. 27, 1965-.** United States. Federal Communications Commission,1962 Financing American Religion Mark Chaves,Sharon L. Miller,1999 Brings together short essays that emerged from an evaluation of the Lilly Endowment Inc s Financing American Religion initiative Nineteen chapters some previously published in well known works and others only in difficult to find pamphlets explore who gives how much and why They investigate how money moves and how it affects religious organizational behavior as well as how attitudes toward money have altered over time Topics include individual giving as well as congregations and religious organizations and their resources Annotation copyrighted by Book News Inc Portland OR **Congressional Record** United States. Congress,1999 **The Baptist** ,1920 **Operating Grants for Nonprofit Organizations 2005** Grants Program,2005-04-30 Few needs are more important to a nonprofit organization than funding for operating costs In this new directory nonprofits and other organizations seeking grants and funding opportunities to support general operating expenses will find over 1 300 current operating grants organized by state with contact and requirement information for each Three user friendly indexes subject sponsor and geographic restriction help grantseekers quickly find the ideal funding opportunity Not a Pretty Picture Robert Mullan,2022-02-23 Originally published in 1996 ethnic minorities in the UK made up over 5% of the population yet were hardly represented in the hundreds of hours of terrestrial broadcast television each week The blatant racism of The Black and White Minstrel Show was over but more subtle forms of racism were piped into our living rooms in an endless stream of white dominated programming Comedies and soaps presented non whites as a sort of

joke humanity stereotypical simple and amusingly childish Serious programmes swelled on the negative aspects of ethnicity race as a problem cultural clashes and language barriers Above all not white equals not normal For many years critics of popular television argued that such imbalance was harmful The lack of positive non white TV role models for children to identify with was leading to growing alienation and disaffection Ethnic minorities increasingly defined themselves in opposition to white institutions They were turning towards separate channels narrow casting provided to meet their own TV needs Based on both extensive survey research and interviews with actual viewers Not a Pretty Picture investigates the whole issue of TV and ethnic minority viewers at the time their viewing choices their criticisms their feeling about the way they are portrayed The conclusions are damning for most of Britain s ethnic minority communities TV was a white medium predominantly controlled by whites portraying white culture and denying non whites a voice Not a Pretty Picture however provides a voice for these views and a valuable insight into the way ethnic minorities see TV Today it can be read in its historical context to see how far we have come as well as what still needs to be done *Volunteers* Marc A. Musick, John Wilson, 2007-11-28 Who tends to volunteer and why What causes attract certain types of volunteers What motivates people to volunteer How can volunteers be persuaded to continue their service Making use of a broad range of survey information to offer a detailed portrait of the volunteer in America *Volunteers* provides an important resource for everyone who works with volunteers or is interested in their role in contemporary society Mark A Musick and John Wilson address issues of volunteer motivation by focusing on individuals subjective states their available resources and the influence of gender and race In a section on social context they reveal how volunteer work is influenced by family relationships and obligations through the impact of schools churches and communities They consider cross national differences in volunteering and historical trends and close with consideration of the research on the organization of volunteer work and the consequences of volunteering for the volunteer *The Christian Century* ,1924 **Start and Grow Your Faith-Based Nonprofit** Jill Esau, 2005-07-08 Start and Grow Your Faith Based Nonprofit offers clear guidance on how to fund and manage a faith based social ministry If you have been called by God to fulfill a mission through a nonprofit organization this is the book for you Written specifically for grassroots faith based groups this important book is a tool for the thousands of individuals and churches that heal emotional physical and spiritual wounds through faith based social service programming In this much needed resource Jill C Esau founder of We Care Northwest a nonprofit designed to build capacity in and advocate on behalf of faith based organizations provides professional step by step guidance Start and Grow Your Faith Based Nonprofit addresses vital issues such as church sponsorship volunteer management the grant making process observing government regulations and certification fiscal responsibilities partnering with complementary programs and much more **Research Papers** Commission on Private Philanthropy and Public Needs, 1977 **Regulation** Commission on Private Philanthropy and Public Needs, 1977
