Sample Of Employment Probation Form:

101 Sample Write-Ups for Documenting Employee Performance Problems Paul Falcone, 2010-03-24 Whether you're addressing an initial infraction or handling termination-worthy transgressions, you need to be 100 percent confident that every employee encounter is clear, fair, and most importantly, legal. Thankfully, HR expert Paul Falcone has provided this wide-ranging resource that explains in detail the disciplinary process and provides ready-to-use documents that eliminate stress and second-guessing about what to do and say. Revised to reflect the latest developments in employment law, the third edition of *101 Sample Write-Ups for Documenting Employee Performance Problems* includes expertly crafted, easily customizable write-ups that address sexual harassment, absenteeism, insubordination, drug or alcohol abuse, substandard work, email and phone misuse, teamwork issues, managerial misconduct, confidentiality breaches, social media abuse, and more. With each sample document also including a performance improvement plan, outcomes and consequences, and a section of employee rebuttal, it's easy to see why over 100,000 copies have already been sold, making life for managers and HR personnel significantly easier when it comes to addressing employee performance issues.

Compendium of Drafts of Employment Contracts and Appointment Letters Saurabh Munjal, Som Nath Munjal, 2021-05-30 About the book: This all-inclusive well-delved book is a one-stop solution pertaining to the drafting nightmares of legal professionals, HR professionals, and students. The book has been so designed that it caters to their everyday requirements. With an aim to be a remedy to all the possible pitfalls while drafting contracts, service rules, appointment letters, etc., this book is extensive but to the point. The language is coherent and well-suited to the content of the book. Measures have been taken to carefully examine and include all the important points while drafting the samples for the reference of the readers. A large number of sample drafts included in the book make the day-to-day working of the professionals easy and hassle-free. All in all, it is a go-to book for professionals in search of a scrupulous yet relevantly put-together book of draft appointment letters and service rules. The book stands true to its name. Key features: Covering Appointment Letter with policy of Work from Home, Samples of appointment letters along with guidelines for drafting, Common Formats of Leave, TA, DA, LFC, Housing Loan, and Furniture Loan application, Guidelines for drafting Service manual, Samples of Probation, Transfer, Resignation, Retirement, Exit Interview, and Relieving Letter, Different types of Memorandum, Show Cause Notices, Chargesheet, Detailed coverage of The Industrial Employment (Standing Orders) Act, 1946, Meticulously integrated Simple and crisp language, Sample draft for various letters, contracts, Eye for every minute detail, Covers common concerns in the industry, Highlights the common pitfalls while drafting the letters, contracts, New Chapter on Force Majeure, New Chapter on Force Majeure.

Employment Contracts, Psychological Contracts, and Employee Well-Being David E. Guest,Kerstin Isaksson,Hans De Witte,2010-07-22 Temporary employment has become a focus of policy debate theory and research The book addresses as its core concern the relationship between temporary employment contracts and employee well being It does so within the analytic framework of the psychological contract and advances theory and knowledge about the psychological contract by exploring it from a variety of perspectives It also sets the psychological contract within the context of a range of other potential influences on work related well being including workload job insecurity employability and organizational support A key aim of the book is to identify the relative importance of these various potential influences on well being The book covers seven countries Belgium Germany The Netherlands Spain Sweden and the UK as well as Israel as a comparator outside Europe Data were collected from over 5 000 workers in over 200 organizations and from both permanent and temporary workers as well as from employers The book s conclusions are interesting and controversial The central finding is that contrary to expectations temporary workers report higher well being than permanent workers As expected a range of factors help to explain variations in work related well being and the research highlights the important role of the psychological contract However even after taking into account alternative explanations the significant influence of type of employment contract remains with temporary workers reporting higher well being In addition to this core finding by exploring several aspects of the psychological contract and taking into account both employer and employee perspectives the book sheds new light on the nature and role of the psychological contract It also raises some challenging policy questions and while acknowledging the potentially precarious nature of temporary jobs highlights the need to consider the increasingly demanding nature of permanent jobs and their effects on the well being of employees
