looking to maximise their exam success **All About Forever** Ashley Erin, He s not the first jerk I ve worked with but he is the first I ve broken all my rules for Reputation ruined I m excited for my fresh start at the Hyatt Ranch They need a farrier and my ten years experience outweighed the recent drama from my divorce when Dane hired me The cold shoulder I get from Ryan my new boss isn t unexpected But if he thinks he can bully me into quitting he has another thing coming He may think I can t do this job but I m going to prove him wrong I haven t spent a decade in a male dominated field without learning a thing or two about the male ego I only wish the idea of beating him at his own game didn t make my blood heat with desire Turns out signing my divorce papers didn t cure me of my poor taste in men Gruff jerk is apparently my type and Ryan fits the bill with his sexy saunter and knowing sneers No matter how sexy he is though I don t mix business and pleasure This job is too important But something about him has me bending my rules and blurring the lines despite my best of intentions When the sparks between us flare into a full blown wildfire all I can do is hold on tight and wonder just how badly I m going to get burned this time

The Grace in Grief Laura Fletcher, 2022-10-04 Grief is a strange thing you re crumbling everything is crumbling but you re hyperaware It s as if everything is magnified and you re shrinking I nod my head Silence In my ob gyn s office I am rational and quiet composed I can hear my doctor explaining that the fetus s heart has stopped beating The fetus My baby my fourth baby The words seem to be flowing in slow motion My husband Clay is arguing insisting that we do another ultrasound This can t be happening again But it is and I know my doctor is speaking the truth I felt the void weeks ago but was too afraid to acknowledge it Now it s slapping me in the face It s exploding in my chest It s seeping from me and drowning me This is my third of four miscarriages It s the most traumatic by far It s also the one that wakes me up In 2021 Laura Fletcher founded Selah Fertility to address a deeply personal and deeply problematic occurrence in women s care the commonality of unexplained miscarriage and infertility The Grace in Grief is her breathtakingly honest story of her struggles with multiple miscarriages and the eventual birth of her second daughter Through this book and Selah the author leaves no

stone unturned in the pursuit of arming women with the insights and power they need to optimize their health and their fertility Fletcher's readers will find a strong empathetic and well qualified author who has endured the depths of some of the most difficult experiences and emotions any woman can experience This is a gifted author with a deeply moving story who will change women's lives Pregnancy in Practice Sallie Han, 2013-07-01 Babies are not simply born they are made through cultural and social practices Based on rich empirical work this book examines the everyday experiences that mark pregnancy in the US today such as reading pregnancy advice books showing ultrasound baby pictures to friends and co workers and decorating the nursery in anticipation of the new arrival These ordinary practices of pregnancy the author argues are significant and revealing creative activities that produce babies They are the activities through which babies are made important and meaningful in the lives of the women and men awaiting the child's birth This book brings into focus a topic that has been overlooked in the scholarship on reproduction and will be of interest to professionals and expectant parents alike

Out of Chaos Jessica LaGrone, 2022-05-10 Life is a hot mess There's the bedlam of getting out the door in the morning The constant breaking down of our homes and bodies and the cars we drive And the institutions that promise to help are often no better We are surrounded by the constant disorder of governments and disappointed by organized religion the very entities that tell us they can provide us sanity and security Instead they leave us scratching our heads or licking our wounds Chaos surrounds us and at times it seems to rule our souls our families and our world But does chaos always end in failure or flaw What if chaos was more than the check engine light of lost causes What if chaos was the raw material out of

which God creates In the beginning God brought order from chaos filling the chaos with a beautiful creation and he s been doing it ever since Where you and I may experience confusion and disorder God sees an opportunity for something new for a rebirth a renewal and a renovation God did this in the beginning he did it again at the cross and with renewed vision for our disordered world today we look to God to do it again Inspired by the powerful picture of creation in Genesis 1 2 author Jessica LaGrone challenges the hope destroying belief that God has abandoned us in our broken relationships our pain and our grief In the midst of our out of control lives God is there and he specializes in making new things from the chaos threatens to drown us When we experience chaos in our own lives and everything feels like it is falling apart God is just getting started When the Spirit of God hovers chaos can give birth to hope **Documenting Death** Adrienne E.

Strong,2020-11-03 A free open access ebook is available upon publication Learn more at www.luminosoa.org **Documenting Death** is a gripping ethnographic account of the deaths of pregnant women in a hospital in a low resource setting in Tanzania Through an exploration of everyday ethics and care practices on a local maternity ward anthropologist Adrienne E Strong untangles the reasons Tanzania has achieved so little sustainable success in reducing maternal mortality rates despite global development support Growing administrative pressures to document good care serve to preclude good care in practice while placing frontline healthcare workers in moral and ethical peril Maternal health emergencies expose the precarity of hospital social relations and accountability systems which together continue to lead to the deaths of pregnant women **Quality**

Management in ART Clinics Fabiola Bento,Sandro Esteves,Ashok Agarwal,2012-11-13 In the last decades major advances have been made in assisted reproductive technologies ART and the public demand for these procedures has increased globally All ART clinics from those just starting out to the well established must employ the latest equipment and implement the best practices while ensuring that their resources are effectively engaged to optimize patient outcomes This is a tenet of the fiduciary role of physicians and it is increasingly recognized as a quantifiable goal regulated by formal certifications and accreditations Quality management protocols such as those proposed by the International Organization for Standardization ISO are being rapidly adopted as standards of measure **Quality Management in ART Clinics** A Practical Guide provides easily adoptable ways to implement and improve formalized quality management systems Essential to any clinic to achieve best practices and maintenance of formal regulatory certifications this book brings together the know how of experienced opinion leaders operating in key areas worldwide The book offers an overview of primary regulations in the ART field with attention to quality management demands and links specific requirements to practical steps for implementation Filled with process and procedure examples flow diagrams and administrative form templates this book is the first of its kind gathering the necessary elements for optimizing practice management and quality assurance **Nursing Times** ,2008 Strange Bird

Michele K. Troy,2017-04-04 The first book about the Albatross Press a Penguin precursor that entered into an uneasy relationship with the Nazi regime to keep Anglo American literature alive under fascism The Albatross Press was from its

beginnings in 1932 a strange bird a cultural outsider to the Third Reich but an economic insider It was funded by British Jewish interests Its director was rumored to work for British intelligence A precursor to Penguin it distributed both middlebrow fiction and works by edgier modernist authors such as D H Lawrence Virginia Woolf James Joyce and Ernest Hemingway to eager continental readers Yet Albatross printed and sold its paperbacks in English from the heart of Hitler's Reich In her original and skillfully researched history Michele K Troy reveals how the Nazi regime tolerated Albatross for both economic and propaganda gains and how Albatross exploited its insider position to keep Anglo American books alive under fascism In so doing Troy exposes the contradictions in Nazi censorship while offering an engaging detective story a history a nuanced analysis of men and motives and a cautionary tale

Our Friends Beneath the Sands Martin Windrow,2010-04-29 The gripping true story of the French Foreign Legion in the Sahara Ever since the 1920s the popular legend of the French Foreign Legion has been formed by P C Wren's novel BEAU GESTE a world of remote forts warrior tribes and desperate men of all nationalities enlisting under pseudonyms to fight and die under the desert sun As with all clichés the reality is far richer and more surprising than this In this book Martin Windrow describes desert battles and famous last stands in gripping detail but he also shows exactly what the Foreign Legion were doing in

North Africa in the first place He explains how French colonial methods there actually had their roots in the jungles of Vietnam and how the political pressures that kept the empire expanding can be traced to battles on the streets of Paris itself His description of the Berber tribesmen of Morocco also reveals some disturbing modern parallels the formidable guerrillas of the 1920s were inspired by an Islamic fundamentalist who was adept at using the world s media to further his cause Martin Windrow s previous book THE LAST VALLEY received fabulous reviews across the English speaking world This unique book which is the first to examine the golden age of the Foreign Legion has followed suit
