Child and Family Information

This first section lists your child's name and date of birth and other basic details. It also includes your family's contact information. The date of the IFSP meeting may be noted, too.

Service Coordinator Information

The service coordinator is the person responsible for making sure the IFSP is carried out. Other members of the IFSP team may be listed here also or at the end of the plan.

Present Levels of Development

This describes your child's current abilities and skills. These can include:

- Physical skills (reaching, crawling, walking, drawing, building)
- Cognitive skills (thinking, learning, solving problems)
- Communication skills (talking, listening, understanding others)
- Self-help or adaptive skills (eating, dressing)
- Social/emotional skills (playing, interacting with others)

Family Resources, Concerns and Priorities

This is a statement of your family's strengths and challenges. You'll help create it. Any concerns you have about your child and the priorities for his progress will also be noted here.

Measurable Results or Outcomes

This important section lays out the goals ("outcomes") for your child, how they'll be met and how your child's progress will be measured. These goals also help the IFSP team decide if services should be added or changed.

Early Intervention Services

This describes the early intervention services your child and family will get. The plan should specify where the services will be provided, how often they'll be provided and how long each session will last.

Natural Environments/Settings

Services in an IFSP should be provided at home, in day care or in other "natural environments" for your child. If a service is provided in a place kids his age would not typically be, this section will explain why.

Other Services

Some services that your child and family need may not be early intervention services. But they're listed here to give you a complete picture. Potential sources of funding are also noted.

Parent Consent

Your consent is required before early intervention services can be provided. Some IFSPs have a signature line.
