May 28, 2013 was my first day of internship at Ayala Multi-Purpose Cooperative located at 8th floor, 111 Paseo De Roxas Building; Paseo De Roxas corner Legaspi street Makati City. During the first day of my training, I and my classmate whom also may co-trainee were first introduced to the head officers and also to the other employees of the company then we're given some brief information on how the company runs and what are the services they offer. After that, we've been oriented on the system used by the company and how they utilize it, and the accounting procedures that they use to treat for the accounts. On the proceeding time I was first tasked to do some clerical works like filing and sorting of stock certificates of a different person from the different companies.

I was also entrusted by Ms. Joy in checking and encoding of the Cheque of the members whom it is for their monthly payment in their loan and also I learned how to find the and check the Official Receipt of the customers.

As time went by, I learned to value intimacy and close-knit relationship with my co-trainees and superiors. I learned principles of archiving. I learned to handle my responsibilities and I also observed proper time management and a
