Nina Partie A:

When They Do Sara Bellcamp, 2018-06-16 Who doesn't love a good wedding? Maybe the groom's ex-girlfriend. And the rebound groomsman she's doing. If only he wasn't so super hot. Alex Keaton is the hottest playboy on the West Coast living the carefree single life. That is until his best friend Marco decides to get married. And Alex finds himself chasing after the absolute last girl he would have ever imagined. Marco's ex-girlfriend Claire, whom Alex had always thought of as boring and too sensible and never liked him anyway. But he never ever thought she would ever say yes. Either a unique, delightfully witty, sweet romance that's just a little bit steamy. Disclaimer: There are some mild swearing and adult situations, but this story contains NO explicit adult scenes. Sara Bellcamp writes offbeat, quirky, sweet romance. Easy reading, feel-good love stories. *When They Do* is her debut title under the Contemporary Romance New Adult genre. *Christmas in the Cove* Carol Ross, 2016-12-01 Nobody is going to hurt her, not on his watch. A DEA stealth mission has brought Coast Guard Lt. Commander Eli Pelletier home. But when he ends up aiding rescue swimmer Aubrey Wynn during her own harrowing mission, powerful emotions reignite between them. Except Aubrey doesn't want Eli's protection. She wants answers. Twelve years ago, Eli broke up with Aubrey without telling her the real reason he was leaving Pacific Cove. How can he try for a second chance if he's forced to deceive her again? Amid suspected drug trafficking and a sabotaged Christmas contest, Eli must find a way to regain Aubrey's trust without compromising his career or endangering the woman he loves. *Deadly Paradise* Kate Valery, 2007-10-16 The novel *DEADLY PARADISE* tells about obsessive love, hatred, and the power struggle between the wealthy and powerful Blue Creek Condominium president Mr. Robert Howard and the simple but attractive Russian immigrant caretaker Nina. The book is set in a first-class high-rise building in Pittsburgh, PA. It is the backdrop for the gripping and frantic story of Rob and Nina's relationship. Intertwined as well are the stories of the staff and residents who live in the building. The novel explores many human emotions as well as a variety of characters. The adventures in the narrative include stories of immigrant life, a struggle with cancer, pure love as contrasted with horrible sadistic love, abuse, and harassment. The main dramatic line is the deep psychological tragedy and sufferings of a tyrannical man who was a dictator ruling the kingdom of slaves. Rob finds his only true love in a woman from another culture, a different social class, and a completely opposite character. But she keeps him at arm's length and unconsciously completely ruins his kingdom, which everyone hates and fears. Nina doesn't rebel openly against the oppressive atmosphere but seeks freedom and democracy in her own way by living and enjoying her life and singing. She continues to be full of love for the whole world. In this way, she wins people's affection and undermines Rob's power in the company. The story culminates when Rob shot Nina in the triumphal hour of her victory. **The Next Corner** Kate Jordan, 1921 *Invalidity* Mindy Chen-Wishart, Alexander Loke, Stefan Vogenauer, Hiroo Sono, Burton Ong, 2022 The *Studies in the Contract Laws of Asia* series charts the divergence in and common principles of contract laws across Asia with a view to providing the scholarly foundations for future
