Catuto, 2017-07-20 Sisters by Design turned out to be a bigger success than Gabriella or Nina ever anticipated It was a lot more hectic than they expected of a new business plus both sisters being busy and pregnant at the same time It was not that they weren t thrilled about their business but they definitely needed to hire more help As usual with more help came more problems Were Gabriella and Nina ready for a possible sabotage to their new business and to see everything they worked for be ruined How would their pregnancies be for both sisters and what surprises were in store for both of them during the months left of their pregnancy How would they deal with a big project they were given by one of the most prestigious construction companies in the area Would their work be in vain if one of their employees succeeded in ruining their business and the good name they were working so hard to build for their company Which one of the sisters was in for a total shock after they had their 4D ultrasounds together After both sisters delivered their babies will one of the sisters decide not to come back to Sisters by Design This final story about the Verducci sisters is filled with more suspense and surprises along the way for both of them Please join the sisters and their family and find out what happens on this final story of their adventures together **The Night Nanny's Secret** Kathryn Whitfield, 2024-12-05 YOUR NIGHTMARE IS ONLY JUST BEGINNING New mum Lucy couldn t be more in love with her twin baby boys but with her husband Andrew s return to long

hours at work she's left to deal with the sleepless nights alone. When her best friend Nina suggests they hire a night nanny, Lucy jumps at the opportunity much to the distaste of her overbearing mother-in-law. But Evie is a natural with the boys and the extra sleep means the days are more manageable. Slowly but surely, Lucy is finding a way back to her old self and soon she might even be ready to get back to running the gym she owns with Nina. Then things begin to go missing, the doubts start creeping in, and Lucy finds she can't keep track of the truth. Is it baby brain or could there be a side to Evie she's not letting on? And when the future of Lucy's business is threatened, she starts down a path that might lead her to uncover some long buried truths about their small town. These secrets might tear her family apart from the inside out. From the author of *The Family at Number 11* comes a brand new twisting and gripping domestic suspense that will have you turning the page long into the night. If you love Nelle Lamarr, Frieda McFadden, and Daniel Hurst, you'll love *The Night Nanny's Secret*. Readers love Kathryn Whitfield's compulsive novels. I LOVED IT. If you like Lisa Jewell or Louise Candlish novels, you will love *The Family at Number 11*. Fantastic. This book is amazing, a proper page-turner. My mind is literally blown. 100% recommend. A thrilling read. I would recommend this book to everyone. It is that good. I was gripped from the very beginning. Suspenseful, pacey, page-turner, genuinely unputdownable, and I can't remember the last book I could say that about. Claustrophobic and suspenseful.
