The Feminist Promise

Christine Stansell, 2011-05-10 A unique elegant learned sweep through more than two centuries of women's efforts to overcome the most fundamental way that human beings have been wrongly divided into the leaders and the led It's full of surprises from the past and guiding lights for the future Gloria Steinem For more than two centuries the ranks of feminists have included dreamy idealists and conscientious reformers erotic rebels and angry housewives dazzling writers shrewd political strategists and thwarted workingwomen Well known leaders are sketched from new angles by Stansell with her bracing eye for character Mary Wollstonecraft the passionate English writer who in 1792 published the first full scale argument for the rights of women Elizabeth Cady Stanton brilliant and fearless the imperious quarrelsome Betty Friedan But figures from other contexts too appear in an unforgettable new light including Ruth Bader Ginsburg who in the 1970s led a revolution in the constitutional interpretations of women's rights and Toni Morrison whose bittersweet prose gave voice to the modern black female experience Stansell accounts for the failures of feminism as well as the successes She notes significant moments in the struggle for gender equality such as the emergence in the early 1900s of the dashing New Woman the passing of the Nineteenth Amendment which granted women the right to vote the post World War II collapse of suburban neo Victorianism and the radical feminism of the 1960s all of which led to vast changes in American culture and society *The Feminist Promise* dramatically updates our understanding of feminism taking the story through the age of Reagan and into the era of international feminist movements that have swept the globe Stansell provocatively insists that the fight for women

s rights in developing countries cannot be separated from democracy s survival A soaring work unprecedented in scope historical depth and literary appeal The Feminist Promise is bound to become an authoritative source on this essential subject for decades to come on At once a work of scholarship political observation and personal reflection it is a book that speaks to the demands and challenges individual national and international of the twenty first century [Working 9 to 5](#) Ellen Cassedy,2022-09-06 A must read for any activist or reader in search for a piece of inspiration Liz Shuler president AFL CIO 2022 Sarton Awards Finalist for Memoir 2023 Independent Publisher Book Awards Gold Medalist Women s Issues category 9 to 5 wasn t just a comic film it was a movement built by Ellen Cassedy and her friends Ten office workers in Boston started out sitting in a circle and sharing the problems they encountered on the job In a few short years they had built a nationwide movement that united people of diverse races classes and ages They took on the corporate titans They leafleted and filed lawsuits and started a woman led union They won millions of dollars in back pay and helped make sexual harassment and pregnancy discrimination illegal The women office workers who rose up to win rights and respect on the job transformed workplaces throughout America And along the way came Dolly Parton s toe tapping song and a hit movie inspired by their work Working 9 to 5 is a lively informative firsthand account packed with practical organizing lore that will embolden anyone striving for fair treatment **The Good Marriage: How and Why Love Lasts** Judith

Wallerstein,2019-08-09 When it first appeared in 1995 The Good Marriage became a best seller It offers timeless clues to the secret of happy long lasting marriages Based on a groundbreaking study of fifty couples who consider themselves happily married psychologist Judith Wallerstein presents the four basic types of marriage romantic rescue companionate and traditional and identifies nine developmental tasks that must be successfully undertaken in a good marriage separation from the family of origin up and down vicissitudes of early years children balance of work and home dealing with infidelities and more The men and women Wallerstein interviewed readily admit that even the best relationship requires hard work and continuing negotiation especially in the midst of societal pressures that can tear marriages apart But they also convey an inspirational message for almost all of them feel that their marriage is their single greatest accomplishment The Good Marriage explains why and its lively mix of storytelling and analysis will challenge every couple to think in a profoundly different way about the most important relationship in their lives Should be required reading for all who are interested in marriage W Walter Menninger Should prove a lifesaver for many couples Publishers Weekly Will enrich the sparse literature on happy marriages USA Today One of the nice things about The Good Marriage is its modesty It doesn t pretend to offer a philosophy or even a lecture on marriage It takes no position on the ideologically charged issues of women s marital roles and status Equally important it ignores the two most common ways of talking about marriage as a contract negotiated between two equal parties and as the pathway to individual fulfillment For this reason it is refreshingly free of rights talk and therapy talk Indeed Wallerstein places much more emphasis on the development of good judgment and a moral sense than on

the acquisition of effective communication or negotiation skills Barbara Dafoe Whitehead The Atlantic A lagniappe to enduring couplehood The strength of this study is that Ms Wallerstein a gifted interviewer persuades the couples to reveal their interior lives in rich explicit detail Susan Jacoby The New York Times Book Review Written in a masterful style that often reads like the best popular fiction Wallerstein and Blakeslee again combine their substantial talents deftly and entertainingly exploring the foundations of good marriages Tara Aronson San Francisco Examiner Chronicle Groundbreaking Boston Globe This is a wonderfully readable and immensely valuable book full of wise and original insights about the many many roads to marital happiness Judith Viorst With wisdom humor and sympathetic understanding Judith Wallerstein helps us recognize and rediscover the good marriage lucid psychologically sophisticated and generously wise David Blankenhorn Newsday Historically informative as well as profoundly wise psychologically Joan M Erikson For a long time as a Rabbi I ve been using The Good Marriage by the late Judith Wallerstein in my pre marital counseling She provides amazingly helpful insights which open up conversations and lead couples to think much more deeply about what they are getting themselves into and what they might need to do to keep their marriages strong Rabbi Carl M Perkins A welcome addition to the field of literature on contemporary marriage The style is clear concise sensitive and occasionally personal Her personal additions add warmth emotional consciousness and greater insight into what makes individuals and couples happy in their relationships This book has value for the many audiences interested in relational theory that want to approach relationships from a realistic and positive perspective Nancy Williford Clinical Social Work Journal In The Good Marriage Wallerstein s new study of 50 married couples offers affirmation that the process of marriage itself presents a vehicle for transformation A best selling author Wallerstein employs a thoughtful nonaggressive style that appeals to the general public Wallerstein has performed an invaluable service in The Good Marriage Elizabeth M Tully M D Journal of Academy of Child and Adolescent Psychiatry Solid impressive Those interested in social policy should be pleased that so well respected a liberal academic as Ms Wallerstein has written a book that celebrates marriage and points the way toward restructuring it Wall Street Journal With extraordinary skill and compassion Wallerstein and Blakeslee take us inside the lives of fifty American couples and find that a good marriage still provides the best framework for enduring love and intimacy Sylvia Ann Hewlett A very appealing book clearly written and clearly thought out Library Journal Wallerstein s major contribution is not about how and why love lasts but about how and why love develops It is in such a context less idyllic but more realistic that the book will prove to be a lasting contribution Readings A Journal of Reviews and Commentary in Mental Health Unravel Me Kendall Ryan,2012-09-22 From New York Times Bestselling Author Kendall Ryan Psychology student Ashlyn Drake s neat orderly life takes a turn for the crazy when she finds the perfect subject for her amnesia thesis a young man without any memory of his previous life including the murder he s accused of committing Against all common sense Ashlyn s drawn to him like a moth to a flame Perhaps it s that he s so incredibly male and even handcuffed to his hospital bed he could pass for a cologne ad Scent
