MEETING NOTES

I met with the client for a 45-minute session. The client reported feeling better since our last session. They mentioned that they had been able to manage their anxiety better and were feeling more confident in social situations. The client also mentioned that they had been able to sleep better and were feeling more energized. We discussed the client's progress and the effectiveness of the interventions used. The client expressed a positive attitude towards the therapy and was motivated to continue. We reviewed the client's goals and the client expressed a strong commitment to achieving them. The session ended on a positive note and the client was encouraged to continue with the therapy.
