Nine Kinds Of Naked:

Nine Kinds of Naked Tony Vigorito, 2015-02-17 Part quirky love story part philosophical manifesto and part metaphysical mystery right at home with the works of Tom Robbins and Christopher Moore Sacramento Book Review A prisoner spins a playing card into a somersault stirring a whirlwind that becomes a tornado that takes the roof off a church in nearby Normal Illinois Elizabeth Wildhack is born in that church and someday she will meet that prisoner a man named Diablo on the streets of New Orleans where a hurricane like Great White Spot hovers off the coast But how is it all interconnected And what does it have to do with a time traveling serf and a secret society whose motto is Walk away This surreal novel exploring chaos theory comes from the acclaimed author of the cult favorites Just a Couple of Days and Love and Other Pranks As fanciful and inventive in its form as it is in its observations It fed tasty crackers to all the hungry parrots in my mental aviary Tom Robbins Linguistic gymnastics abound Vigorito demonstrates once again that he s a wild stylist startlingly original an entertaining anarchist Chicago Sun Times A whimsical tale of time space coincidence and cause and effect The author displays most of the linguistic acrobatics and playful rumination that made his debut a cult classic In the tradition of Douglas Adams and Tom Robbins Kirkus Reviews **Just a Couple of Days** Tony Vigorito, 2015-03-17 Winner of the Independent Publisher Book Award for Best Visionary Fiction A lyrical thoughtful viral meme of a book Christopher Moore author of Noir It all starts when a mischievous artist kicks off a game of graffiti tag by painting the phrase Uh oh on an overpass Next an anonymous interlocutor writes back When Then someone slyly answers Just a couple of days But exactly what will happen in just a couple of days Readers don t have long to wait before Professor Blip Korterly is arrested and his molecular biologist friend Dr Flake Fountain is drafted into a shadow government research project to develop the ultimate weapon a biological agent that will render its targets unable to understand symbols thus disrupting humanity s ability to communicate Soon an accidental outbreak turns into a merry hearted babble inducing apocalypse that will either destroy humankind or take it to the next step in evolution Praised by Tom Robbins who said it may be the most unusual the most original novel I have ever read Tony Vigorito s debut novel is an underground hit that ponders what might happen at the end of time Vigorito s irreverent whimsical style has attracted a cult following The final apocalyptic vision is a twist not seen since Kurt Vonnegut s Cat s Cradle Recommended Library Journal **Naked Crow 9 - Canadian Crow** P.Z. Walker, 2020-06-13 It s time for a vacation Sheila and Jeremy are up for a trip and they will have a travel companion Or does the travel companion have them Either way the journey goes to a naturist resort and from there they reach a lake a murder and a mystery How did the victim die And why Is there a risk that such a murder happens again Lots of questions and even more adventures await our friends when they go on their trip across the border And for you there might be an Abenaki 101 in store *The Naked Truth: Or, The True State of the Primitive Church ... Naked at the Mic / L.A. Steel, 2010-03 Naked at the Mic The Survival of a Liberal in a Time of Peril Is a work of exhaustive research and remembrance as a historic account of the politics and social upheaval during the Conservative Revolution that took place during the first decade of the 21st Century as I witnessed and reported it on my television and radio programs during the years of 2000 to 2009 This book is also a personal account and compliment to the many people who fought so valiantly to broadcast truth and liberal commentary while the entire broadcast media was dominated and censored by the Conservative right wing the G W Bush administration and the cabal of Muslim hating warmongers famously known as the NeoCons Naked at the Mic also commemorates the many people who stood up against the G W Bush administration and their nightmare of genocide and slaughter in the Middle East and the cruel corrupt and oppressive government they imposed on the American people during their reign of terror and torture from 2000 to 2008 I also speak honestly about the 2008 presidential candidates and the election of Barack Obama and why I voted for him and my great disappointment after his horrific betrayal of all who elected him The research for Naked at the Mic entailed over 5000 news articles that I have personally archived and preserved on paper to verify every quote and reference I make and over 100 books and interviews of authors activists and politicians on 400 archived radio shows and ten televised documentaries I had produced up to 2009 when I completed writing this book It is an honest look back through time at people and events that have been at the forefront of national and world changing events Naked at the Mic is a historical record of one of the most volatile decades in American and world history It discusses many of the most important national and international issues from 2000 2009 the corrupt 2000 presidential election 911 the Afghanistan and Iraq invasions Katrina and exposes the massive corporate financial and political corruption and mass media

coverups up to the end of 2009 I honestly discuss and expose left and right wing politics and give a unique front line perspective of the massive sea change of American Society that caused G W Bush s 75 percent approval rating in 2001 to his final approval rating of 24% in 2008 Naked at the Mic is honest fast moving highly informative and well researched and is an accurate historical account of one of the most politically conservative and most destructive periods in American history that has led to the current economic military and moral demise of America Ralph Waldo Emerson once stated in his famous essay The Oversoul Oh Believe that every word that was meant for thine ear to hear will come to thee I believe a lot of people are meant to hear what this book has to say L A Steel
