[Marks : 15]

(Reading)

1. Read the passage given below and answer the questions that follow: [7]

- (1) The little island of Crete is in the Mediterranean Sea. Once upon a time there was a fine civilisation that flourished there. At Knossos in Crete there was an enormous palace and we have the remains of the palace still. In this palace there were bathrooms and water pipes, which some ignorant people think are modern inventions. There were also beautiful pottery, sculpture and paintings, and fine metal and ivory work. In this little island of Crete the people lived peacefully and made great progress.
- (2) We have read the story of king Midas who got into great difficulties because he had been granted a boon by God Dionysus that everything he touched would turn into gold. He could not eat because his food became gold and what is the use of gold as food? He hugged his daughter and she too became a statue of gold. He was thus punished for his greed for gold. This is of course a fanciful story.
